The President's Thoughts

Dear Friends,

Activities at Rotary Bangalore Indiranagar, under Rotary's five avenues of service and seven areas of focus, continued at a good pace during October 2021, which also happened to be the Vocational Service Month.

Vocational Service Director Rtn. Kavita Kekre and her team worked hard to give us an exciting month. We had eloquent guest speakers at all four weekly club meetings. They included the renowned journalist and former Editor of The Hindu, Mr. N. Ram, the famous Film Director in the Advertising Industry Ms. Surya Balakrishnan and the accomplished IBM Master Inventor, Mr. Prabjit Singh. The Vocational Service team Organised the first vocational visit of the year to M/s. Sunil Agro Foods Limited in Hoskote Taluk. Three individuals who had made immense contributions to their respective vocations through their dedicated service were honored with the Vocational Excellence Award. Employment is confirmed for all the students of the third batch of IT Technician Course at NTTF.

Our community service project activities continued to flourish. Hearty congratulations to PP Rtn. Gurmeet Singh Randhawa, PP Dr. S.N. Simha, and the Karunashraya team on the new Bagchi-Karunashraya initiative commencing home care services in Bhubaneswar.

Four more renovated Anganwadis were inaugurated, taking the count to 142. The number of free cataract surgeries supported by us during the rotary year 2021-22 exceeded 1500. Scholarships awarded for the academic year 2021-22 crossed 400. Sincere gratitude to all the donors and kudos to all involved.

Rotary Bangalore Indiranagar was one of the sponsoring clubs for RI District 3190's World Polio Day event on 24th October 2021. It was a very well-planned and executed event with numerous activities including the Polio Awareness Ride, Signature Campaign, and the Polio Awareness Walk. Our Rotary House of Service was one of the pit-stops for the Polio Awareness Ride.

October 2021 also witnessed the return of a major fellowship event to our Rotary House of Service after more than a year. Fellowship convenor Rtn. Balakrishnan Narayanan and his team gave us a very enjoyable 'Ghazal & Sufi Night'. The fellowship and dinner hosted after the last weekly meeting of the month also witnessed wonderful participation.

Several of our Rotarians have already committed support to our Rotary Foundation during the current year and I am sure many more would emulate them. It will be nice if our cheques reach the Rotary Foundation during November as it happens to be the Rotary Foundation month.

The festivities associated with our much-awaited Diwali festival have just ended. We have enjoyed spending time and bonding with our family and friends. We now return recharged to continue with the excellent work and through it "Serve to Change Lives".

With warm regards,

Rtn. Fazal Ur Rahaman

President 2021-22

Project in Focus – Anganwadi

If Smile could move mountains, this project has moved thousands of mountains!

It was a one-night stand with PP Rtn. Pradeep Viswanathan which evolved in to a living together relationship with PP Rtn. Harish Kumar Anand and eventually ended up in a marriage with PP Rtn. M Jagadeesh! This is how our President Rtn. Fazal describes the genesis and journey of one of the most acclaimed projects of our Club, the '[Anganwadi Restoration Project](#)'.

The Anganwadi Restoration Project took birth in the Sonnahallipura village in the year 2016-17. Sonnahallipura is a small village in Hoskote taluk of Bangalore Rural District. Our Club is very closely associated with this remote village and has been carrying out various projects here. Be it health camps, donating cows for the livelihood of women, installation of solar light or renovation of the school building.

Within the government school campus at Sonnahallipura, an Anganwadi center was located, which was in a dilapidated, squalid condition with no water. It was not a suitable place for the young children to be around. The appalling state of this Angandwadi moved the Committee Chairs of the erstwhile Rural Development Committee Rtn. Shyam Agarwal and former member Vidya Chandy.

It was decided to restore this Anganwadi center by renovating the building, providing appropriate water connection, repainting it to make it look cheerful and colourful for the kids to be around and spend their day. The responsibility of completing this renovation was entrusted to our President Fazal, who was one of the erstwhile Rural Development Committee members. At that time, the renovation was done only to support the Sonnahallipura village children. None knew that it would be a beginning of a noteworthy project in the coming years. At the inauguration of the renovated Anganwadi, RBI members witnessed the overwhelming appreciation of the project, realized the significance of Anganwadis and the need to rebuild them.

‘Anganwadi’ is a word derived from 'Angan', a Hindi word which means “*the courtyard*”. The courtyard is where members of the family gather, have food, celebrate, meet and greet people. The Anganwadis were set up by the Government of India in the year 1975 under the “**Integrated Child Development Service**” to combat various health issues of young children. It is one of the largest child care programmes in the world.

India has the largest malnourished children leading to high infant and maternal mortality. Anganwadis were set up as an extension of the primary health care centres:

- to ensure nutritious food to children below the age of 6 years;
- to immunize all children;
- to provide supplementary food to pregnant and nursing women;
- to extend antenatal and prenatal care to women, and
- to offer nonformal preschool education to the children between the age of 3-6 years.

The programme was envisaged to appoint one trained Anganwadi worker for every 1000 people. As of date, there are 14 lakh Anganwadis across India, and 20,000 Anganwadi will be made available on-demand with more than 20 lakh Anganwadi workers

The Anganwadis have been playing a critical role in laying a solid foundation for the child's psychological, physical, and social development. Anganwadi workers have been instrumental in bringing a sea change in the maternal care and menstrual health of rural women and the sanitary hygiene of the villages. Such is the importance of the Anganwadi.

RBI always walks in the right direction and ensures that projects undertaken are meaningful, impactful, and beneficial to a broader section of society. The Anganwadi Restoration Project is not an exception to this. The proposal of taking the Anganwadi Restoration Project on a long-term basis was put forth before the Strategic Committee led by PP Rtn. Mahesh Parekh during the presidency of Rtn. Harish Kumar Anand. The Strategic Committee approved, and thus the project took off in a full-fledged manner under the leadership of PP Rtn. M Jagadeesh.

At the Inauguration of 100th Anganwadi

The initial idea was to restore and renovate 100 Anganwadis in and around Bangalore. This number has been surpassed. As of date, RBI has successfully completed the renovation of 148 Anganwadis on this date. The work carried out at every Anganwadi is as follows:

- painting the exterior walls with bright and good quality long-lasting exterior emulsion;
- brightening the interiors by kids-friendly painting and decorating the walls with art;
- replacing the dull cement flooring with light coloured vitrified tile flooring;
- fixing the plumbing to ensure running water to kitchen and toilets
- providing Kadapa stone shelves in the storeroom;
- erection of the Kadapa stone sink and Kadapa cooking counters in the kitchen;
- providing overhead water tank, low-level water storage tank and water pump;
- rectification of the electrical wiring
- Waterproofing on the roof to prevent leaks and dampness within the building

November 2021

50th Renovated Anganwadi inaugurated by RBI's Charter President Late Udaya Kumar

The total spend on the renovation of 148 Anganwadis has crossed Rs. 3crores, at the rate of Rs. 2 Lakhs per Anganwadi.

The project has been supported by various members of RBI either personally or through their connections such as PP Rtn. Peeyush Jain, Rtn. Narssimhan Kannan, Rtn. V. Venkata Reddy, PP Rtn. M. Jagadeesh (through his sister in law K. Thirumala), Rtn. Ghanshyam Agrawal, PP Rtn. O.P. Khanna, PP Rtn. Ajith Kumar Rai, Rtn. Lokesh N. Vemulkar, Rtn. Sanjay K. Srivastava, PP Rtn. Amarnath Tandon, Rtn. G.J. Raja, late PDG Rtn. S. Udayakumar, former Rtn. Ashok Maheshwari, Rtn. Joseph Abraham, PP Rtn. Suresh D. Patel, Rtn. Sanjay Koppikar.

Corporates and other organizations such as Mistral Solutions Private Limited, Citrix R&D India Private Limited, Tommy Hilfiger, Can Fin Homes Limited & Wonder Global India Technology Center Private Limited (GE Appliances), Bothra Foundation, Sri Pramod Murarka through Rarewala Steels & Alloys Pvt. Ltd., Sri Chempu Madhava Pai & family and Forum For Former LRDEians have generously contributed to this noble cause.

75th Renovated Anganwadi

The project has been supported by our District too during the DGship of PDG Rtn. Suresh Hari. The District, with the support and contribution received from our very own PP Rtn. Ajith Kumar Rai and his Suprajit Foundation and PP Rtn. O.P. Khanna and his family members supported the renovation of 44 Anganwadis under a District Grant.

President Fazal, a former Roundtable, was inducted to RBI in the year 2009-10 during the presidency of PP Rtn. Karthikeya Reddy. He is pretty passionate about this project and has been working assiduously. Leaders lead by example. Fazal has not just put in his time but has also made monetary contributions to the project. He has been ably supported by PP Rtn. Jagadeesh, who successfully garnered the funds for rebuilding 100 Anganwadis.

With the completion of 148 Anganwadis, this duo has revised the target and has set a tall order of 250 Anganwadis, and that does not seem to be an uphill task to these taskmasters. However, the plan is not just to achieve the numbers set as above but also to bring in qualitative improvements. The qualitative improvements thought of are training and enhancing the Anganwadi workers' awareness of nutrition, housekeeping, menstrual hygiene, educating them on the importance of breastfeeding, eco-friendly practices.

Fazal recalls the support extended by Rtn. Vinay Vankulpati & Rtn. Karthik Kumar U in monitoring and supervising the renovations at the sites.

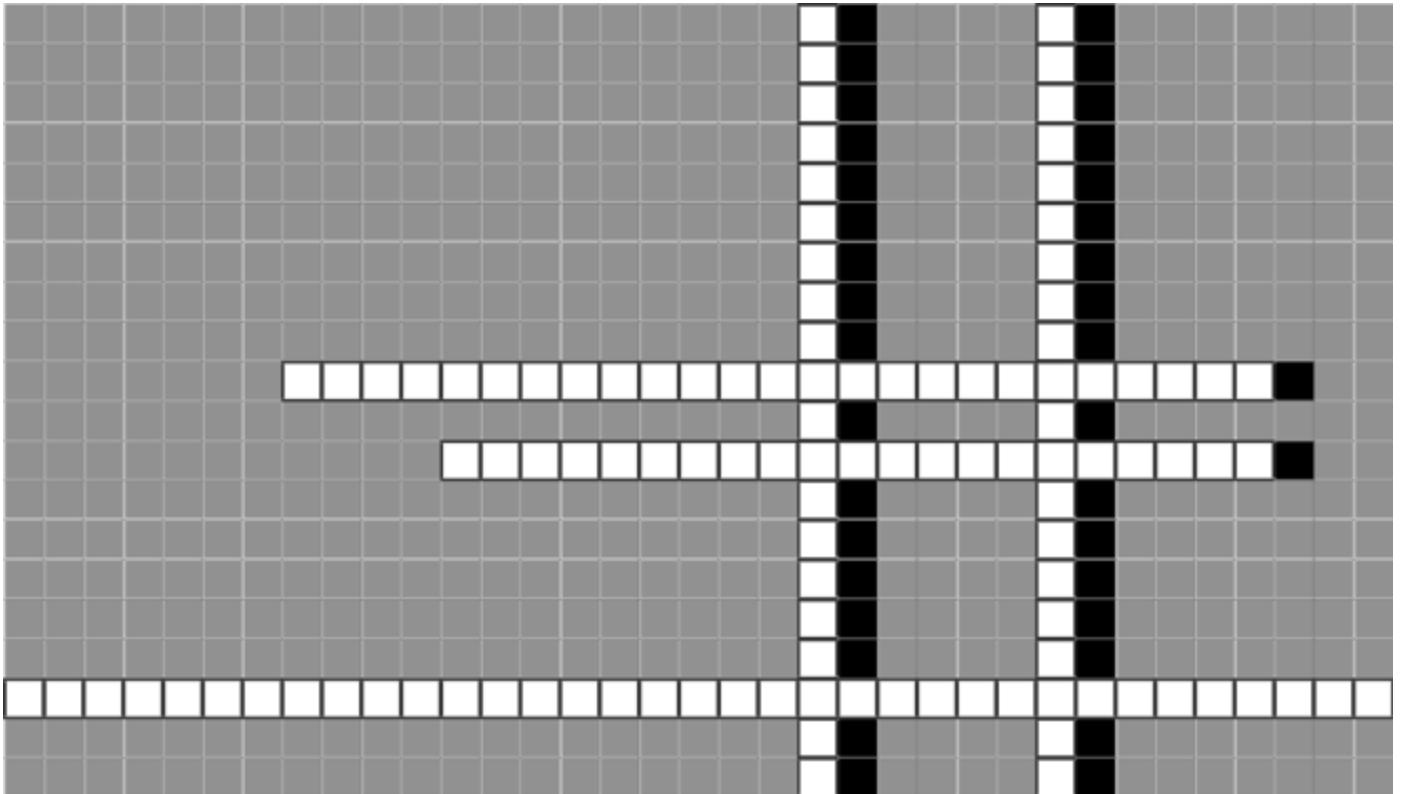

A project that was to be a one-time activity has become one of the most popular projects. It has been received very well by the villagers. The project's popularity has spread so much that there have been requests from the neighbouring taluks to support them. Passion and dedication can conquer anything. With the determined approach of RBians, it is not an arduous task at all.

If you make children happy now, you will make them happy 20 years hence by its memory.

At the same event, Usha Gowda, an ex-student of the Govt. Girls High School at Hoskote, and a National Gold Medalist in weight lifting was recognised and a cheque of Rs. 10,000 towards her nutrition requirements was handed over.

Eye Care:

- 341 surgeries were performed by Globe Eye Foundation at Chikkaballapura and Bangalore Rural Districts and an amount of Rs. 6,82,000/- was donated by the MCKS Trust through Rotary Bangalore Indiranagar. The cataract surgeries for the month of September 2021 were 280 and the amount spent towards this is Rs. 560,000/-

Kolar:

- The Kolar Eye Hospital had a total of 355 patients in OPD for the month of September 2021. Out of this, 145 patients did not have to pay for their treatment, 161 Surgeries were performed. Out of this, 127 surgeries were done free of cost and the cost of surgeries amounted to Rs. 2,45,000/- which was borne by Rotary Bangalore Indiranagar.

Tumkur:

- The Tumkur Eye Hospital had a total of 38 patients in OPD for the month of September 2021. Out of this, 8 patients did not have to pay for their treatment, 161 Surgeries were performed. Out of this, 85 surgeries were done free of cost and the cost of surgeries amounted to Rs. 1,70,000/- which was borne by Rotary Bangalore Indiranagar.

Mother and Child:

- Four renovated Anganwadis were inaugurated during the month and with this the tally of Anganwadis inaugurated by RBI is 142! The inauguration was attended by Zonal Governor Rtn. A. Thirumurugan and Assistant Governor Rtn. M N Balachandra. The renovation of all the four Anganwadis were funded by Citrix R&D India Private Limited.

- Ann Sowmya Srikanth gave a presentation on Sustainable Options for Menstrual Health & Hygiene Management at L&T Realty for 20 members on 21st October 2021.

COVID Relief:

- 25 Ration kits were distributed at The Association of People with Disability (APD) at Jeevan Bima Nagar on 5th October 2021.

Environment:

- RBI along with Rotaract Club of Indiranagar, Adyama Chetana and Bhavani Kalyana Mandira Trust had organised a mega tree plant drive at Bhavani Manae Lake where 1480 saplings were planted in 4 hours. Bhavani Manae Lake was rejuvenated by RBI in the year 2019 out of the funds raised through Crowd Funding and with the support of Bhavani Kalyana Mandira Trust.

Blood Donation:

- President Elect Rtn. A K Sugunan organised a voluntary Blood Donation Camp at the Centre of Artificial Intelligence and Robotics (CAIR) on 1st October 2021 which resulted in **56 units of blood** being collected. The camp was inaugurated by the Director of CAIR, Dr. Subrota Rakshit who led the team of scientists and the staff of CAIR and motivated them to contribute to this noble cause.

WINS:

- The Safe Drinking Water Project at the Government. Girls High School, Hoskote (GGHS) was inaugurated on 1st October 2021. GGHS has a strength of nearly 600 girl students and about 50 staff. The water supply in the school is very hard with possible pathogen contamination. The unique system designed will deliver about 250 litres per hour of safe and purified water. Besides, this system also ensures that no RO wastewater is diverted to the

land or garden. Instead, the water is treated in such a way that it is used for general-purpose usages such as cleaning, hand-wash and toilet. It has been ensured that hand-wash stations are functional at all times and there is never a shortage of water in the toilets.

Karunashrya:

- On the 24th of October 2021, Home Care Services were started at the Bagchi Karunasharaya Palliative Care Centre at Bhubhaneshwar. The complete Home Care facility has been started in a space of 10,000 sq. ft allocated with 2 Maruti Ecco vehicles. The nursing staff was trained at Karunashraya Bangalore.

Blood for the Needy:

- Through donations received from the MCKS Trust and help from Rotary Bangalore Indiranagar, the BMST (Rotary TTK Blood bank) has issued **1014 free blood units** during the month of September 2021.
- The total amount donated by the MCKS Trust for this is **Rs. 7,07,970**.

Vocational Service Report - Director Rtn. Kavita Kekre

Skill Development Initiative

- The 4th Batch of IT Technician course was completed on 27th October 2021 and the placement of the students is in progress.
- The girls' batch for the 'In-store Promoters' Course of four weeks has started on 20th October 2021.

Vocational Visits

- The first physical Vocational Visit for the Rotary Year 2021-22 was organized on 9th October 2021 to M/s Sunil Agro Foods Limited. The company manufactures Wheat products. The company makes 'Atta' for famous brands like Pilsbury and Annapurna. It also has its own brand called 'Sunishta'. The Rotarians got an opportunity to learn the complex process of making Maida and then the relatively simple process of making atta, the quality control process testing process followed by the company.

The Team from Rotary Bangalore Indiranagar included First Lady Ann Shamim Fazal, PP Rtn. Col Subbu, PP Rtn. Shashank Kekre, PP Rtn. Jagadeesh, Secretary Rtn. Supriya Kandhari, Rtn. Kavita Kekre, Rtn. Nayeem, Rtn Kesavadas, Rtn Asha, Rtn Narsi and Ann Jayshree Kesavadas. Apart from the Rotarians, 8 Rotractors too joined the visit.

- Virtual Tour of Giza was organised on 25th October 2021 for the students and teachers of Deens School and BGMS. 100 students from the BGMS Shishukunj School and 76 students from Deens School visited the Great Pyramids of Giza. It was an exciting and unprecedented virtual visit to one of the most beautifully decorated and well-preserved tombs of Ancient Egypt, The tomb of Queen Meresankh III.

4Way Test

- On 7th October, a 4 Way Test session for the children of the 9th Standard at the Shree Cauvery School was conducted. Close to 100 students attended the session along with several teachers and the Principal Mrs. Monica Michael.

Vocational Month

- On account of celebration of Vocational Month, four eminent speakers were invited for the Monday meetings and they were:
 - Ms. Surya Balakrishnan on 4th of October,
 - Mr. N. Ram on the 11th of October,
 - Sandra Sequiera on the 18th of October, and
 - Dr. Prabjit Singh on the 25th of October.

Vocational Excellence Awards:

- The Vocational Excellence Awards are given to individuals who have made significant contribution to the advancement of their chosen vocation. Rotary Bangalore Indiranagar recognised the following people for the outstanding contribution made by them:
 - **Dr. H.D.R Radhakrishna** - Medical Superintendent of Sir CV. Raman General Hospital. Dr. Radhakrishna has done tremendous work in the field of COVID-19 services, like starting COVID – 19 Services, isolating the vulnerable foreign returned travellers and their primary contacts.
 - **Mrs. Padma Gurumurthy** – Principal of Sri Guru Harkrishan High School. Mrs. Gurumurthy is a retired Kendriya Vidyalaya Teacher, with a dedicated service of 38 years of teaching and 9 years of rich experience in administration. An individual with strong organizational, communication and interpersonal skills, she has shouldered multifarious responsibilities in her professional journey.
 - **Mrs. Priya G Nair** - Technical Coordinator at Sree Cauvery School. Mrs. Nair has seamlessly integrated herself into all school activities and has quickly become an important forefront contributor to educational operations since her start
