

VOLUME 40
ISSUE 6
10th NOVEMBER 2020

From the President's Desk

Rtn. Dr. Srikanth AVS

I am a proud member of Rotary Bangalore Indiranagar!!!

Yes, I say it lustily!

This is an awesome Rotary Club, and I follow in the footsteps of the amazing Past Presidents who have led us with diligence, dedication and devotion. I am grateful to all our members for the encouragement that they have given me, and I know they will continue to do so.

Our Club has been built on a strong foundation, and I am fortunate to have a membership that is fully committed to the Rotary ideal of Service Above Self, and continues to go the extra mile in building the Club, and carrying out the many worthwhile projects that we undertake for the benefit of our community.

Probably the most notable thing is the passion that our members bring to the table. We have an incredible mix of people and who have the ability to make great things happen, right across the community.

We are a well-structured Club, and generally each of us knows what is expected of us. That has made my role as President much easier and I have the unflinching support of my Team. The aim with anything that the Club does has been based on the core principle that we add value to anything that we get involved in.

The reason we are so well thought of in the Rotary World, is because of the hard work of the past leaders, over many years. We certainly owe it to them to carry on the proud traditions of this fine Rotary club

Needless to say in these past four months, we have been able to go ahead and sustain our multi-year projects and for us it's been business as usual even during these harsh times.

It's not that simple though, certainly not the case that we can just carry on regardless - we still have a few challenges ahead of us. RBI is one of the best in our District, it surely is! But let's not be too complacent here.

We need to work hard, in fact very hard, at raising money for the good causes we support. I am confident that our members have what it takes to enable us to raise funds and we are capable of much more than that. Our work has shown that.

At this point I need to reiterate the phenomenal work the individual committees are doing under the Avenue Directors. The committees are actually the unsung heroes; it is they that do the majority of the work, oil the wheels and generally make us what we are.

We're all working hard, at being Rotarians, more so this year, but hopefully that also means we will play hard. I do hope that you are ready to join me later this Rotary year, when each and every one of us will get together to work and also party. Till then, take care and stay safe.

Rotary International President's Message

Rtn. Holger Knaack's Message for Month of November 2020

We all know Rotary's tremendous power to transform our communities and ourselves. However, in every community, people have been left out, and we have not made a strong enough effort to reach them.

The RI Board of Directors is taking action to make Rotary more welcoming and diverse. We formed a task force to promote diversity, equity, and inclusion to help clubs attract new members regardless of gender, race, religion, age, or other factors. This will help us speed up the change we all want and need. The selection of Jennifer E. Jones as Rotary president for 2022-23 — the first woman to lead our organization — is another step in this direction.

At the grassroots level, clubs drive inclusion and diversity. Alia Ali — who serves on the board of directors at the Big West Rotaract Multidistrict Information Organization and is a Rotary Youth Leadership Awards alumna and past president of the Rotaract Club of Surrey-Newton, British Columbia — offers her perspective.

I still remember the relief I felt as a RYLA participant four years ago. I had finally found my people: people who cared as much as I did. All over the world, Rotary has the same heart. We serve our communities and take action where others feel paralyzed by the size and scope of a problem.

Let's continue that spirit, especially when the conversation is difficult. Racism, prejudice, and discrimination take on different forms but exist in every country, in every city, and in every person. How do we root it out?

As a diversity, equity, and inclusion consultant, I help organizations create a culture that empowers and attracts everyone using the power of empathy. When we feel with others as if they were ourselves, we cannot hold prejudice in our hearts. When every child reminds you of your own child, when every woman or man reminds you of your mother or brother, you start seeing the world differently.

We can apply The Four-Way Test through the lens of empathy. Are we building goodwill and friendship with everyone in our area, including women? Are things fair and beneficial to people of all ages? Who has to make choices that you don't have to make?

I made a heartbreaking choice between Rotary and my religion when a Rotary convention was held during Ramadan. I wondered: When we ask if this is fair and beneficial to all concerned, did that not include me as a Muslim? Would the convention ever be held over Easter? Only by asking difficult questions can we begin the work of creating a more inclusive and diverse Rotary.

We already connect so many people across the world. Imagine the possibilities when we bring even more people along for the ride. That's the future of Rotary I want to see: one where we are unstoppable in our service, relentless in our kindness, and intentional in the change we want to see.

Rotary has a big enough heart. If we open our door wider, we might find a lot of interesting people with new voices and new perspectives. We already have a variety of clubs offering different styles, cultures, and opportunities — and those who do not feel welcome in any particular club might be great candidates for new clubs created on different models. It's important that we make sure every new Rotary member is a good fit for their club. *Rotary Opens Opportunities* through diversity.

HOLGER KNAACK
President, Rotary International

Club Service

The articulate & suave Director - Rtn. Vipin Labroo

The Art of Storytelling - Geeta Ramanujam

Welcome to a world of fantasy, with birds and fairies, dark nothings and the spirit of freedom, with Gods and demons! She started her presentation and from the word go the audience was on journey to an enchanting world where animals speak and witches haunt.

The high voltage persona of Ms Geeta Ramanujam is a treat to watch. She has single-handedly created a recognition of the art and science of storytelling. She has created an international subject of storytelling, which is being studied and learnt. Our Prime Minister spoke about Geeta in his national event called 'Man Ki Baat'.

Widely travelled and recognised in over twenty countries she is acclaimed for her love and dedication for.. yes, storytelling. She believed and proved to the world that stories are wonderfully educative, immersive and impactful. They leave a lasting impression of the wisdom being conveyed. This art can be learnt. She has a score of courses on her foundation's website www.kathalaya.com through which 85000 people have been trained so far.

Unlike Drama or films where scores of people are deployed using expensive sets and equipment, storytelling costs nothing and needs no props, except for the raw talent and passion of the storyteller. The transfer of ideas to the audience is direct, instantaneous and unadulterated.

Her stories were chosen well, with history and lessons, mythology and fantasy, where the last word is a moral or a gem of wisdom for the listener. You had glimpses of Aesop's tales, Panchtantra, Puranic stories and many more. Her acts were performed with combination of expressions, both of body and face, modulation of voice and vocal tone. We could not escape the thrill of joy and wonder, pathos and agony, fun and mirth of the characters, all coming together in the stories told by this master storyteller.

Geeta's journey has been exemplary. She has brought joy and wonder to thousands and left many lasting insights. She started from the creation of this universe from nothingness to dynamic movement. It felt as though she herself is also a creator of the art of storytelling, from nothingness to a world of agony, ecstasy, hope and joy.

She is God's gift to India (and the world) and one wishes more and more people can keep the art of storytelling flourishing. May her tribe increase!!

You Make Us Proud

PDG R Badri Prasad

PDG Rtn. Badri Prasad was recently bestowed with the **Rotary Foundation Distinguished Service Award** for exemplary service to TRF.

A few years earlier, he had received the Rotary Foundation Citation for Meritorious Service.

And the pinnacle was being bestowed with RI's highest award; the Service Above Self Award. With this, he has received all three possible awards for a Rotarian.

We are delighted and warmly congratulate PDG Badri for this well-deserved distinction. This award was tendered to PDG Badri personally by IPDG Rtn. Sameer Hariani at his office.

Hearty Congratulations PDG Badri!!!

Rtn. Ghanshyam Agrawal

Rotary Bangalore Indiranagar Rtn. Ghanshyam Agrawal is the only **Arch Klumph Society** member from Dist. 3190 for the year 2019-20. This is the highest contribution to the Rotary Foundation of USD 2,50,000.

For this colossal and awe-inspiring contribution, the District presented him with the Award for Dazzling Services AKS Contribution.

It was indeed a very proud moment for Rotary Bangalore Indiranagar.

Congratulations Rtn. Ghanshyam Agrawal!

Community Service

The untiring & relentless Director - Rtn. Philip George

Vidya Daan

As on date, scholarships worth around 1.08 Crores have been disbursed to a total of 453 students.

Child Development (TEACH)

Rtn. Dr Seema Satish conducted two on-line sessions on Dental Hygiene for the children of GHS Garudacharpalya and Cauvery School covering a total of around 25 students.

Teacher Training (TEACH)

Nation Building Award District certificates for "Best Teachers" were distributed to nine RBI adopted schools. Rtn Wg Cdr (Retd) Ashok Saraf, in the memory of his late wife, Asha Saraf, has instituted a corpus which will, on a yearly basis, award children and Best Teachers in RBI adopted schools.

Mother & Child

Thanks to the efforts of Rtn. Uday Karthik, work at the stalled Anganwadi at PKR Nagar has resumed. This Anganwadi has been sponsored by Rtn. GJ Raja.

Heart Care

The phenomenal and extraordinary efforts of PP Rtn. OP Khanna was captured in Rotary News through a detailed report on Heart Surgery and Homograft. This was facilitated by PDG Suresh Hari. Heart surgeries are being processed for 8 patients at Jayadeva Hospital and Columbia Asia.

Eye Care

Globe Eye Foundation (GEF) has been recognized as a partner of the District Blindness Control Society (DBCS) and has been allocated 520 surgeries. Statistics of the two Nethradeeps: Kolar, OPD – 329, Surgeries – 26; Tumkur, OPD – 73, Surgeries – 02.

Rotary Bangalore Indiranagar congratulates PDG Mahesh Kotbagi on his election as Director for Rotary International for 2021-23.

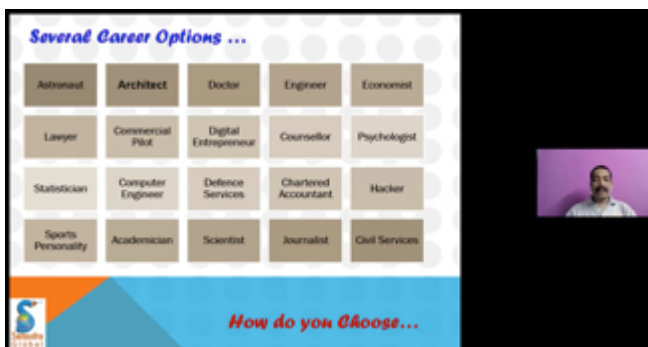

Vocational Service

A multi-faceted & ever-dependable Director – Rtn. Narssimhan Kannan

Career Guidance

- We at Rotary Bangalore Indiranagar successfully completed the following Career Guidance sessions:
 - Two separate sessions were conducted at Frank Anthony Public School for 145 students of Grade X on Oct 17th.
 - President Dr. Srikanth gave the welcome address, and Director Narssimhan Kannan motivated the students.
 - The Zoom sessions lasted for 90 mins.
 - A big thank you to Rtn. Ganesh Balakrishnan for conducting these sessions and Rtn. Krishnan Kumar for organising the same.

One of its kind - A Virtual Vocational Tour

What happens when the Vocational Services Director, Rtn. Narssimhan Kannan becomes Indiana Jones, the archaeologist? He takes the members of Rotary Bangalore Indiranagar and their families on an exciting and unprecedented virtual experience to one of the most beautifully decorated and well preserved tombs of Ancient Egypt – The tomb of Queen Meresankh III.

The entire presentation was divided into three parts.

The first part, was where the virtual travellers were introduced to the Plateau of Giza, where the three Great Pyramids of Khufu, Khafre and Menkaure were built. This was important, as the protagonist of the tour; the Queen Meresankh III was the grand-daughter of the Pharaoh Khufu and her tomb was built close to the Great Pyramid of Khufu.

The second part of the presentation was a video tour of the tomb which was guided by the Queen Meresankh III herself. The queen showed the various faces of the tomb, aligned with the four cardinal directions and described vividly all the paintings on the wall. The video also showed the actual place the sarcophagus was kept when the queen was buried.

The excitement had not paused; there was something more in the offing. The most exhilarating part was the three dimensional walk-through of the tomb. Here, the travellers could virtually walk inside the tomb and see each wall as it is right now. At every wall, Narsi the Navigator, stopped and showed the picture of how it was 4500 years ago. He then took the travellers down to the actual underground burial chamber where the ancient sarcophagus was kept. The time-travellers climbed the virtual stairs back to the top level to return to the beautifully decorated rooms of the chapel where the actual after-life rituals took place and were led out of the tomb, on to the Giza Plateau. When the virtual tour was announced, all the members were perplexed as to what it could entail. It turned out to be an unforgettable experience for all the members of RBI.

Youth Service

A technocrat & dynamic Director – Rtn. Gopinath

Installation of the board of Rotaract Club of Surana College

President Rtn. Dr. A.V.S. Srikanth installed the board of Rotaract club of Surana College on the 17th of October. He wished incoming president Rtr. Arza Firdose and secretary Rtr. Melvin all the best for the year. The outgoing team led by Rtr. Kiran was complimented on an outstanding year.

The event was also attended by the Principal of the college Dr. Bhavani, Director Youth Service District 3190 Rtn. Krishna Mariyanka and DRR Rtr. Raj Vamshi. Secretary Rtr. Melvin proposed the formal vote of thanks.

Rotarians A.K. Sugunan, Narssimhan Kannan, Sanjay Srivastava and Gopinath attended the event.

Karunashraya – World Hospice Day

PP Rtn. Gurmeet Singh Randhawa, Managing Trustee at Karunashraya wanted to celebrate the World Hospice & Palliative Care Day in style. Gurmeet discussed the idea with PP Rtn. Manoj Agrawal. Manoj roped in Rotarians Kavita Kekre and Narssimhan Kannan in his team to conjure up an impressive musical program. The brief given to the team by Gurmeet was that the patients and staff members of Karunashraya should have an enjoyable musical treat.

To achieve this Manoj, Kavita and Narsi chose the four best singers in Bangalore, chose an apt title, “Tu Pyar Ka Sagar Hai” and also curated an enviable multi-lingual song list so that it would serve the tastes of all the patients, doctors, nurses, support staff and a larger audience. Narsi was additionally also given the responsibility of managing the technology for the event and to liaison with the tech team at Karunashraya.

Eminent singers Samanvitha Sharma, Narssimhan Kannan, Govind Kurnool & Shruti Bhide performed some lilting numbers while Manoj Agrawal and Kavita Kekre kept the interest of the audience alive by their creative anchoring. The event was streamed live on Zoom, Facebook and YouTube simultaneously. The most salient feature of the event was that all the singers and anchors streamed from their respective homes using state-of-the-art sound equipment and Internet connectivity.

The evening was very well received by all the patients and staff of Karunashraya. Extremely positive and appreciative comments were also received from various other quarters.

Lockdown or no lockdown, **Where There Is A Will There Is A Way!**

Awards Galore

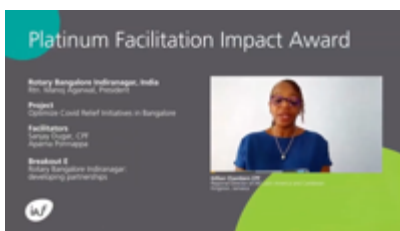

RBI Dazzles yet again on the horizon of RID 3190 (2019-20)

Look at the sky. We are not alone. The whole universe is friendly to us and conspires only to give the best to those who dream and work. ~ Dr. APJ Kalam

Rotary Bangalore Indiranagar once again shines brightly by adding several sparkling stars on the horizon of Rotary District 3190 under the able leadership of IPP Rtn. Manoj Agrawal. RBI wins the Coveted Best Club Award in the large club category for the Rotary year 2019-20. As anticipated, RBI accomplished many more awards, both in the individual and club categories. We received a total of 46 awards. A few of our members made us extremely proud by winning awards for their distinguished contribution at the District level.

Felicitation of Facilitation

Rotary Bangalore Indiranagar awarded Platinum status award by International Association of Facilitators for Ration Kit Program during the COVID 19 lockdown under the able leadership of IPP Rtn. Manoj Agrawal.

It started with an unpretentious target of 2000 kits but as more and more partners, corporates, volunteers, institutions and people joined the movement, the thrust was immeasurable and an astronomical 1,75,000 ration kits were finally distributed. Kudos to Rtn. Sanjay Dugar & Aparna Ponnappa for leading the initiative.

Award from ASSOCHAM

Unstoppable, relentless and ever-persevering, IPP Rtn. Manoj Agrawal added one more star to his galaxy of achievements.

For his leadership and role in Community Support for COVID Relief, Rotary Bangalore Indiranagar was bestowed the prestigious ASSOCHAM NGO Award for Excellence.

This was possible only due to his untiring efforts and those of the entire RBI team which rallied around him and worked 24 x 7 during the COVID crisis.

Champions don't show up to get everything they want; they show up to give everything they have.

Demystifying Cancer

October is a month awash with the colour pink. The colour that is consonant with Life Affirmation and Health. The colour that is a powerful representation for Breast Cancer Awareness month; a global pledge to fight and to find a cure for the dreaded disease.

In keeping with the theme, the Femme Fantastic RBI ladies organised an online seminar on Zoom, entitled “Demystifying Cancer”. Dr. Jayshree Simha, Sr. Anesthesiologist at Manipal Hospital, who is also an RBI Ann, very graciously agreed to address the ladies and provide additional tips to help us understand the disease in a more informed and knowledgeable manner.

Jayshree's presentation threw light on the most prevalent cancers amongst women today – breast cancer, cervical and ovarian. Cancer is one of the top causes of death, after heart attacks, and now Covid. India has the dubious distinction of having the highest incidence of cancer. In fact, 17% of the breast cancer cases worldwide, can be attributed to India. A frightening and grim scenario.

Jayshree's presentation was wide-ranging and checked all the appropriate boxes. Many of us may have gleaned bits of knowledge on cancers from several sources before now, but her talk was comprehensive and lucid, and took us through the different stages in a clean and precise manner. Traversing the risk factors and the signs and symptoms to look out for; the screening protocols; the recourse to the specialists and services available to tackle the disease, she then gave us details on the survival statistics and possibilities, which are dramatically enhanced with early and timely detection. Also, with the additional advice on how we can, as an individual as well as a society, take preventive measures initially itself, she delivered the message of hope and inspiration, and a surety that, “yes we can defeat cancer together!”

To further reinforce this feeling of empowerment, we had a special guest, Ms. S.C. Sharada, a breast cancer victor for over 7 years now. Having successfully battled cancer, she has made it her mission to create awareness and share her thoughts on breast health. An active member of the Pink Hope Support Group, Sharada, despite wearing many hats, is passionate about connecting on different forums with her messages of optimism and positivity.

She narrated to us, with warmth and wit, her difficult, yet heart-warming voyage to best the disease, and what was very evident was her absolute conviction and courage throughout. She shared how her family and friends, her bulwark of support, kept her spirits high when it got tough, and were with her on her journey to the light at the end. Her ability to transform each setback into an opportunity to get back stronger, the true mark of a “Cancer Victor” and warrior, in no way diminishes the travails that she went through; rather it further underlines the challenges. This cancer champion literally walks the talk when she advocates that there is a “better life beyond cancer”.

The positive and uplifting messages conveyed by both the speakers, were thought provoking and constructive, and helped to settle our apprehensions around the topic by, “Demystifying Cancer” and leaving us with a belief that the demon can be tamed.

Women Power of RBI dominates at District Awards

- Award for Dazzling Services Special Events – Rtn. Ambika Narayan
- Appreciation of the year 366 days outstanding service – Anne Manju Agarwal
- Mark of Excellence Award – Anne Sowmya Srikanth
- Best Conference Treasurer – Rtn. Kavitha Paramesh

Adding flavours and spices to your taste buds...

Mohanthal

By Anne. Meera Parikh

What better way to start our festive month than with a melt-in-the-mouth traditional Gujarati and Rajasthani sweet dish made with besan, ghee, sugar and nuts. This sweet dish is brought to you by none other than our own Master Chef Anne. Meera Parikh, who has numerous recipes in her treasure trove. Every dish that she prepares is delectable and comes straight from her heart. Never underestimate the power of **Mohanthal**, especially when it is made by Meera.

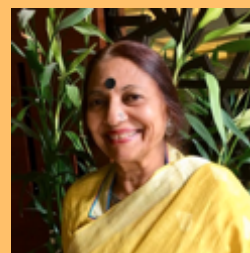

Ingredients

- 2 cups of gram flour
- 1 cup of ghee
- 1 cup of sugar
- $\frac{1}{4}$ th cup of milk
- $\frac{1}{4}$ th tsp powder cardamom
- $\frac{1}{4}$ th tsp nutmeg
- 1 tsp shredded almond

Preparation

1. Take two cups of gram flour
2. Add 2 $\frac{1}{2}$ tsp of ghee
3. Add 2 $\frac{1}{2}$ tsp of milk
4. Mix well, ensure that no lumps are present
5. Rest the mix for 2-3 hours
6. Sieve the mix through the rice sieve
7. Take the remaining ghee in a vessel
8. Add gram flour mix and roast it well till it becomes light brown and fluffy
9. Add milk slowly – spoon by spoon and stir continuously
10. Roast the mix at medium slow flame till the mixture turns golden brown
11. Keep aside for 10 to 15 mins
12. To make the sugar syrup, take one cup of sugar, one cup of water and keep stirring till the syrup is of two strings consistency. Add powdered cardamom and nutmeg powder.
13. Mix sugar syrup in gram flour mix and stir well while adding
14. Pour the mix onto a well-greased plate
15. Garnish with shredded almonds & pistachios
16. While it is warm, cut the mass in square pieces for easy bites
