The President's Thoughts

Dear Friends,

The number and frequency of projects and other activities gathered momentum in August 2021. The Directors and their committees continued their excellent work. Most of the projects happened with a good number of us being present in person. The hybrid format was introduced for the weekly club meetings and this gave another opportunity for many of us to meet in person.

We had the privilege of having our District Governor Rtn. Fazal Mahmood & District First Lady Rtn. Sabiha Fazal inaugurating the five renovated Anganwadis in Hoskote Taluk on 9th August 2021. Our sincere gratitude to them for having accepted our invitation and spending the day with us. These Anganwadis were sponsored by Citrix R&D India Private Limited under CSR and our thanks to them for having partnered with us.

The lady Rotarians and Anns of Rotary Bangalore Indiranagar carried out a very thoughtful project under our District's "Project - Zero Hunger". 150 ration kits were distributed by them at Bowring Hospital, Bangalore, to the poor patients in the General Ward and to the needy Group IV employees of the Hospital. The response of the beneficiaries gave us ample proof on how much needed this project was. Kudos to all our ladies for this wonderful project !

Our 75th Independence Day celebrations commenced with the customary flag hoisting at Rotary House of Service followed by visits in groups for the flag hoisting ceremonies at our various projects. The valedictory function for the first batch of students to graduate from the Bhavan – BBMP School

was also held that morning. Congratulations to the students, teachers & school management for achieving 100% success in the board examinations. The much awaited fellowship and lunch was held outdoors in the lovely premises of our very hospitable Rtn. Kamalavadani Udayakumar & Rtn. U. Karthik Kumar on M.G. Road. The Fellowship team did a great job with the entertainment program and lunch. Over 50 members of our Rotary family who attended this event, thoroughly enjoyed the afternoon.

Sunday, 29th August 2021, was dedicated to the environment. The day commenced with the “Tree Plantation” project at Sarjapura. This was followed by the long drive to Mulbagal for the thanksgiving function to celebrate the successful completion of Season I of our Lake Rejuvenation Project “Restore Promise Of Water” taken up jointly with Rotary Bangalore Lake World and Rotary Bangalore Junction. It was a wonderful way to spend Sunday.

Our Vidyadaan scholarship team led by PP Rtn. Raja Kaura was very active during the month with interviews happening every Thursday. September 2021 promises to be another very busy month for the members of this committee.

On 30th of August 2021, a hybrid joint meeting and fellowship was hosted by us. The invitees were our two ‘Sahayoga’ partner clubs Rotary Bangalore Disha and Rotary Hoskote Central. Thank you to Presidents Rtn. Naresh Bhandia and Rtn. Vijayakumar for having participated in the meeting and fellowship in person along with a few of their Rotarians.

Thank you all for your unstinted support. Let us continue working together and “Serve to Change Lives”

With warm regards,
Rtn. Fazal Ur Rahaman
President 2021-22

Rotary Trivia - Rotary Mottoes

The two official mottoes of Rotary are '*Service Above Self*' and '*One Profits Most Who Serves Best*'. Do you know how and when these mottoes were adapted by Rotary International? Here is a short insight into it.

'*Service Above Self*' is the primary motto and '*One Profits Most Who Serves Best*' is considered as the secondary motto.

Name Badge of Convention

These mottos were born in the second Rotary convention held at Portland in the year 1911. In a casual conversation between Rtn. Ben Collins, president of the Rotary Club of Minneapolis, Minnesota, USA, and Rotarian J.E. Pinkham of Seattle. Rtn. Ben Collins mentioned that his club followed the principle of '*Service, not self*' in their day to day activities. Rotary Founder, Paul Harris, who was also present, was greatly impressed with the phrase '*Service, not self*,' and invited Rtn. Collins to speak at the convention.

This phrase was much admired by the delegates. It was later modified to '*Service above Self*' and approved as the official motto in the Convention held at Detroit in the year 1950. The Council on Legislation established '*Service above Self*' as the primary motto, in the year 1987 as this denotes unselfish volunteer service of Rotary.

The phrase '*He Profits Most Who Serves Best*' was approved as the motto in the Portland Convention held in the year 1911 and this was adapted from the speech of Rtn. Arthur Frederick Sheldon delivered at the first convention held at Chicago.

Arthur Frederick

At the Rotary International Convention held in the year 1950 in Detroit, the slogans '*He Profits Most Who Serves Best*' and '*Service above self*' were formally approved as Rotary Mottos. Later, in the year 2004, 'He Profits Most Who Serves Best' was modified to '*They Profit Most Who Serve Best*' and it was in the year 2010, the current wording, '*One Profits Most Who Serves Best*' was accepted and declared as official secondary Motto.

Project in Focus – Heart Surgery

Heart Surgery

Heart disease is the leading cause of death in the world accounting for 1/3rd of the total deaths in the year 2019 !! China had the highest deaths due to heart disease with India in second on the list.

The term “heart disease” refers to several types of heart conditions. The most common type is coronary artery disease, which can cause heart attack. Other kinds of heart disease may involve the valves in the heart, or the heart may not pump well and cause heart failure.

Globally, 6.4 billion people living in the low to medium income countries have insufficient access to cardiac surgery. Poor access to surgery is leading to increased deaths. This data reveals the wide prevalence of the disease.

One of the 7 areas of focus of Rotary International (RI) is ‘Fighting Disease’ and RI is working on both prevention and treatment of diseases. Rotary Foundation has spent USD 65 million in grants for fighting disease so far.

Heart disease being such a rampant health issue and it is but natural that Rotary Bangalore Indiranagar would play an important role in alleviating this. Our Club is working extensively in the treatment of heart disease and has taken up this cause as one of its major projects under ‘Community Service’.

Under this project, the needy patients are provided monetary assistance to undergo heart surgery/ treatment and such patients are also supported with appropriate guidance on the medical

treatments to be availed. These activities are carried out by RBI jointly along with Needy Heart Foundation.

Needy Heart Foundation is a like-minded charitable trust set up with the intention of providing monetary support exclusively for the patients suffering from heart ailments. Needy Heart Foundation was born out of the burning desire and passion of our own Rotarian, Karmayogi, O P Khanna. O P Khanna (OPK) himself suffered a heart attack in the year 1998. He had to spend nearly Rs. 4 Lakhs then to avail the treatment and he realised how expensive it was. This made him think of the people who are unable to afford these expensive treatments and that thought gave birth to

Needy Heart Foundation.

It was in December 2001. Rtn. O P Khanna came on a holiday to India from Uganda, where he was on UN deputation. He met Dr. R C Srivivas (now in USA), then head of Cardiac Surgery in Manipal Hospital, Dr Joseph Xavier (now head of Cardiac Surgery in Columbia Asia) and Dr N S Devanand (now head of Cardiac Surgery at Manipal Hospital), then both senior

surgeons in Manipal Hospital. These three doctors proposed to start a foundation to support the heart surgeries.

This moved OPK who had already thought of supporting patients with heart ailments. He jumped into this by quitting his well-paying job and relinquishing the glamorous corporate world. He moved to India for good to start 'Needy Heart Foundation' (NHF), dedicating his full time for this cause. OPK not just gave up his career for this cause but also diverted all his sitting fee and consultancy income from nearly 14 companies in which he was serving as director, to NHF.

RBI's collaboration with NHF is not just at the club level but also at the district level. RBI has facilitated the association of RID 3190 with NHF. Rotary and NHF have together set up Rotary Needy Heart Foundation (RNHF) and have undertaken lot of activities over the years.

Past District Governors such as Rtn. P M Bhansali, Rtn. K N Prabhashankar, Rtn.S R Yogananda, Rtn. S S Ramdas, Rtn. Srikanth Chhatrapathy, Rtn. Rajendra Rai, Late Rtn. U B Bhat, Rtn.V Krishnamoorthy and PRID Panduranga Setty are involved with RNHF as Trustees.

RBI's association with NHF took a new leap in the year 2005-06 during the presidentship of Rtn. Harpreet Singh Rana. During that year, RBI and NHF launched "Rotary Needy Homograft Project", then a first in South India and the second in India after AIMS, Delhi. The Homograph Project was funded by RBI through matching grant and this set the path for a long association between these two entities.

The next significant year was the year 2007-08, when Rtn. Col R V Subramaniam was the president. RBI supported 24 surgeries under matching grant. This number gradually grew and it reached the highest number of 350 surgeries in the year 2018-19 under the leadership of PP Rtn. M. Jagadeesh.

A brief of statistics of the work done till date:

- Partnered with 11 well known cardiac hospitals in the city to treat the needy patients
- Saved over 10,250 lives
- Touched over two lakhs lives including heart awareness camps
- Subsidized Project cost till date - over Rs 133 Crores @ an average 1.3 Lakhs per patient (US\$ 21.5 million) *
- Funds raised -given to Hospitals - over Rs 40 Crores (US\$ 6.5 million)
- Conducted over 180 heart camps in rural & urban poor areas in & around Karnataka
- Established a "Rotary Needy Homograph Bank" (Project Cost-Rs 84 Lakhs in 2005) at Manipal Hospital

- Established a “Rotary Needy Cardiac Rehabilitation Centre” (Project cost -about Rs 3.5 Crores without Land which was given free by Govt/JH) in Jayadeva Hospital
- Saved over 250 lives of needy poor patients referred by Rotary Clubs in neighboring countries like Bangladesh, Pakistan, Nepal, Bhutan, Sri Lanka, Indonesia, Uganda, Nigeria, Iraq etc. thus spreading a message of goodwill & brotherhood across the borders.
- Donated two fully loaded “ICU Cardiac Ambulances” (Project Cost over 60 lakhs) to Jayadeva Hospital.

The process of establishing an ultramodern Cath Lab at Jayadeva Hospital is in progress and the cost of this project is estimated at Rs. 3 Crores.

What an impressive performance! This aptly fits and describes the RI theme for the year ‘Serve to change lives’. Yes, Rotarians serve and their service brings changes to lives around. This would not have been possible without the commitment and determination of Rotarians like OP Khanna, who have lived their talk and dedicated their ‘Tan, Man, Dhan’ for the cause they wanted to serve.

OPK is an inspiration. His life reminds us of the quote of Francis of Assisi, “Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible’. This applies not just to his personal life but his professional life too. An IIT Kharagpur graduate, who is known for turning around manufacturing units under loss, OPK has always done things which were considered necessary but herculean and seemingly impossible task. His professional work is studied as a case study in IIT.

OPK is decorated with many awards in recognition of his professional as well as social service. Some of the prominent awards he has received are:

- ‘Sir M Visweswaraya Award’ from the Institute of Engineers of India, Bangalore in the year 2011

- 'Lifetime Achievement Award' of 2014 from the Institution of Engineering and Technology (UK)
- IIT Khargpur's 'Distinguished Alumni Award – 2019'
- 'Service Above Self', 'TRF District Service Award', 'Rotary outstanding Service Award', 'Arch Klumph Society Award' from Rotary International
- 'Karmayogi', Rotary Rathna Award' and 'Rotary Lifetime Achievement' from RID 3190 and RBI
- Best Citizen Award and Bharat Jyoti Award in the year 2019.

Warren Buffet said ***"Someone is sitting in the shade today because someone planted a tree a long time ago"***. Our acts as Rotarians have a long-lasting impact on the society and we can make the difference. Heart Surgery Project is one of such acts and it is truly lifesaving.

With the increasing number of patients, their need for surgery, the infrastructure and fund requirements are also increasing day by day. It is essential that this cause is taken seriously and strategized to have a consistent fund outlay for this project and to carry out the project on a sustainable basis.

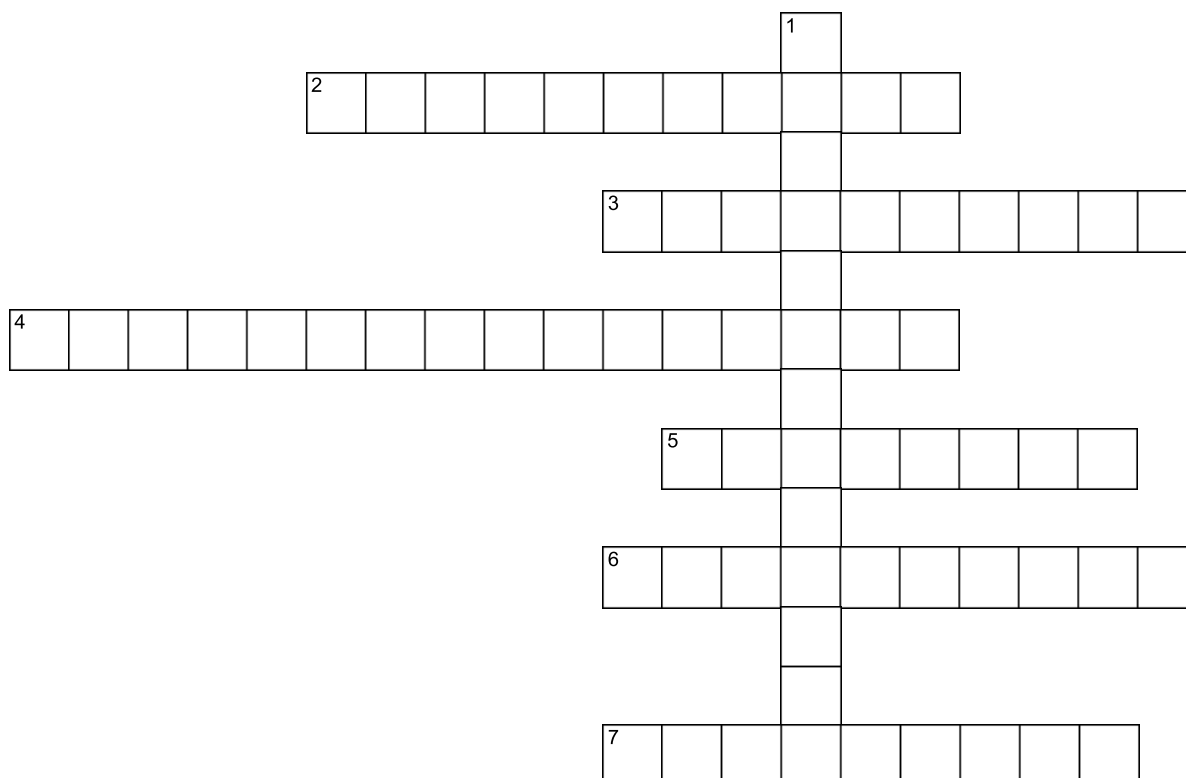

**For It is in giving
that we receive**

— St. Francis of Assisi

Vocational Service Report - Director Rtn. Kavita Kekre

Skill Development:

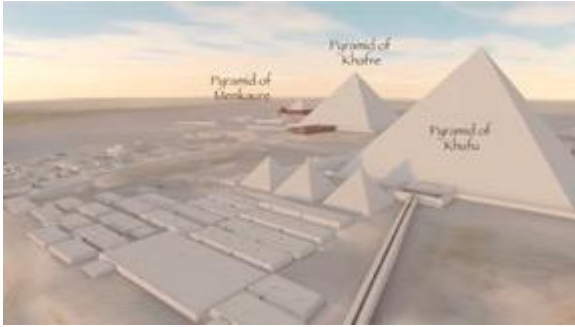

- The third batch of IT Technician Training carried out by NTTF was completed on 6th August 2021. This batch was conducted online as well as offline. Out of the 13 candidates who had registered, 10 candidates attended the training and 3 candidates didn't report as they were not vaccinated. Placement activity is in the process and is expected to be completed by the time this issue reaches you.

Career Guidance:

- Virtual 'Career Guidance' Session was conducted for the IX and X Standard students of Bhavan BBMP School Srirampura and Chamrajpet on 18th August 2021 and 21st August 2021 respectively. Nearly 40 students attended each of these sessions. Rtn Ganesh Balakrishnan conducted the session. Rtn Narssimhan Kannan informed the students about the 'Vidya Daan' program and our tie-up with NTTF. Secretary Rtn Supriya, Rtn.Kavita Kekre, Rtn. Col Subbu, Rtn. Asha Vaswani, Rtn. Kamlavadeni, and Rtn. Sugunan attended the session.

Vocational Visits:

- The first Virtual Vocational tour was conducted on Friday August 27, 2021 for the children of Shree Cauvery School. 200 enthusiastic students participated along with the Principal Ms. Monica Michael and other teachers. Rtn. Narsi took the entire audience on an exciting and unprecedented virtual experience to one of the most beautifully decorated and well preserved tombs of Ancient Egypt – The tomb of Queen Meresankh III. The most exhilarating part was the three dimensional walk-through of the tomb. Here, the travellers could virtually walk inside the tomb. President Rtn. Fazal was present during tour. Rtn. Asha Vaswani organised the session.

4Way Test:

- Rtn. Narssimhan Kannan spoke at the installation ceremony of the Interact Club of The Frank Anthony Public School on 14th August 2021 and elucidated from his personal experience the importance of the 4 Way Test and how in the long-term truth always prevails and is appreciated.

- A session on the 4 Way Test was held on 28th August for the Principals, Teachers and Coordinators to introduce the importance of the 4 Way test to the students in the schools. Rtn Sarvanan made the presentation. PP Rtn Jagadeesh and Community Service Director Rtn Narssimhan Kannan were the guest speakers who spoke in Kannada and English respectively.

Community Service Report - Director Rtn. Narssimhan Kannan

Blood for the Needy:

- Under the leadership of PP Rtn. Zarryl Lobo, Rotary Bangalore Indiranagar and MCKS Trust have issued 916 free blood units. Out of these, 175 units of blood were given to Thalassemia patients and the 741 to the needy patients. The total amount donated by the MCKS Trust for this cause is Rs. 10,29,120/-

Heart Surgery and Cardiac Rehabilitation Centre:

- During the month, one paediatric heart surgery was conducted through Needy heart Foundation.
- Rtn. Ghanshyam Agarwal has donated an amount of Rs. 16,50,000/- towards the Heart Surgery Project. 976 Patients have been treated in the Cardiac Rehab Centre in the months of July and August. The Centre is also a vaccination centre and 2497 people have been vaccinated so far.

Environment:

- RBI has taken up the project of rejuvenating 4 lakes around the Kolar region of Karnataka in association with IIT for IIT and Grama Vikas. Grama Vikas is the implementing agency on the ground for the de-silting of these water bodies. Around 20,000 sq. meters will be desilted from each lake to rejuvenate them.
- A Tree Planation Drive was organised by RBI jointly with Rotary Bangalore Disha on the 29th of August 2021. The project was inaugurated by the Presidents of both the clubs and the team planted around 300 trees in Sierra Greens, a gated community in Sarjapur. This place was provided by Rtn. Ram Mohan Menon and his son-in-law Mr. Pramod. Secretary Rtn. Supriya Kandhari, Community Service Director Rtn. Narssimhan Kannan, Youth Service Director Rtn. Sridhar Pishay, Chairperson of the Environment Committee Rtn. Harish Manae, Rtn. Saravanan, Rtn. Kavita Pishay, Rtn. Vijay Mane, Rtn. Vidyut Shenoy and Rtn. Ashok Saraf were present.

- Rotary Bangalore Indiranagar is one of the three participating clubs in the Lake Rejuvenation Project “Restore Promise of Water (RPOW)” along with Rotary Bangalore Lake World and Rotary Bangalore Junction. The target is to eventually rejuvenate 10,000 water bodies. Season I of this project was successfully completed before the onset of the monsoon this year and Rotary Bangalore Indiranagar contributed towards the de-silting of 4 lakes/water bodies located in Somayajalahalli Grama Panchayat in Srinivasapura Taluk of Kolar District in Karnataka.
- A function was held at Grama Vikas, Mulbagal, Karnataka on Sunday, 29th August 2021 to facilitate our implementation partners FES, Grama Vikas and The Art of Living, project partners cum donors Chandra Foundation, Caring Friends, IIT for IIT and RI District 3190, crowd funding partners Fuel-A-Dream and project consultants KPMG. The chief guest at this function was our DG Rtn. Fazal Mahmood. Rtn. Latha Amashi raised a total of USD 15,000 from Shri Jagdish Chanrai for the project.

Covid Relief:

- 30 Ration Kits were distributed to the families of physically challenged persons residing at Ambedkarnagar slum in Koramangala at a cost of Rs. 30,000/-
- The Ladies of Rotary Bangalore Indiranagar donated 150 Ration Kits to the poor and needy patients and the Group-D Employees of the Shri Atal Bihari Vajapayee Medical College & Research Institute under the auspices of Project Zero Hunger (COVID Relief). The distribution was graced by the Director of the Hospital, Dr. Manoj Kumar H.V who also handed over a letter of appreciation to the First Lady Ann Shamim Fazal and Rtn. Kavita Kekre, post distribution.

- On 12th August 2021, RBI formally inaugurated the commissioning of five Oxygen Concentrators at the Chinmaya Mission Hospital and five Oxygen Concentrators at the C V Raman General Hospital. The inauguration at both the hospitals was attended by President Rtn. Fazal Ur Rahaman, Secretary Rtn. Supriya Kandhari, IPP Rtn. Dr. AVS Srikanth, President Elect Rtn. AK Sugunan, Rtn. Kesavadas, International Service Director Rtn. Baskaramoorthy, and Community Service Director Rtn. Narssimhan Kannan. The project has been supported by:
 - Chiratae Foundation,
 - Siva & Royan Foundation,
 - Sethi Foundation - 6 concentrators
 - Anonymous donor from Singapore - 3 concentrators
 - Advocate Sheetal Srikanth - 1 concentrator
- On the 28th of August, 8 more oxygen concentrators were donated to CSI Hospital and HBS Hospital.

Dialysis Consumables

- An amount of Rs. 1,78,290 was paid towards the Dialysis and 50% of the said amount has been donated by M/s. Suprajit Foundation. This contribution has served 7 patients for six months and 1 patient for 9 months for a total of 557 dialysis.

Mother and Child

- RBI inaugurated five Anganwadis located at Bodanasahalli, Narayankere, Devanagundi (Centres 1 & 2) & Handenahalli on 9th August 2021. The renovation of these Anganwadis has been sponsored by Citrix R&D India Ltd. Till date, Citrix R&D India Ltd. has supported the renovation of 27 Anganwadis.
- Rtn. Fazal Mahmood, District Governor RI District 3190, was the Chief Guest for this function and inaugurated all the Anganwadis. He was accompanied by his wife, First Lady Rtn. Sabiha Fazal. Our President Rtn. Fazal Ur Rahaman, Rtn. Supriya Kandhari, Rtn. Narssimhan Kannan, Rtn. Dr. A V S. Srikanth, Rtn. Ambika Narayan, Rtn. Philip George, Rtn. Kamalavadani Udayakumar, Rtn. Krishnan Subramanian Kumar and Ann Shamim Fazal were present for the inauguration.
- With these 5 Anganwadis, RBI has completed the renovation of a total of 138 Anganwadis.

Bhavan BBMP School

- The 1st Batch of SSLC Students at the Bhavan BBMP School have performed extremely well in their exams and have got very good marks. 4 students have achieved Distinction and 15 have secured a First Class. A function to felicitate the students was conducted on the 15th of August.

TEACH

- Through the good offices of Rtn Sanjay Dugar from RBI and the International Association of Facilitators, Mr. Joel Jodi, a social psychologist and professional facilitator as well as a mentor for neurodivergents along with Ms Kavitha Talreja conducted a session for about 40 teachers from Sree Cauvery School.

- Mr. Jodi took the teachers through the various ways in which teachers could take care of what is wrongly perceived as "problematic" or "difficult" students. Mr. Jodi explained how a child may not be interested in studies but that does not make him / her "difficult"; they may excel in certain extra-curricular activities such as sports, music, dance, painting, etc.
- On the 19th August, Rotary Bangalore Indiranagar distributed one Science Kit to the Sri Guru Harkishan Public High School. This science kit helps children with hands-on experiments in Physics, Chemistry and Biology. It is simple, fun, inexpensive and involves items that you come across in your daily life.
- On the 26th of August, Rotary Bangalore Indiranagar distributed two science kits to the Hoskote Govt Girls High School respectively.
- A record 164 students from the Bhavan's BBMP, Bhavan's Press and Navaprajna schools attended a one hour long Zoom session on Eye Care. Dr. Jnaneshwar from the Globe Eye Foundation was the facilitator. With the help of some very informative slides, Dr. Jnaneshwar explained the construction and the working of the eye along with the various ailments, their causes as well as preventive and remedial actions.

- On Aug 28th, 2021 Rotary Bangalore Indiranagar conducted another session of 'Cyber-Crime and Cyber-Bullying' facilitated by Rtn Sanjay Koppikar. 110 students of APS, ASC & C attended the program. The session started with President Rtn. Fazal Ur Rahaman welcoming the staff and students of the school, followed by Deputy Director Rtn. Kumar introducing Rtn. Sanjay and

Community Service Director Rtn. Narssimhan Kannan concluded with a Vote of Thanks. Vocational Service Director Rtn. Kavita Kekre and Rtn. Col Subbu were the other Rotarians who attended the session.

Vidya Daan:

- The fourth set of interviews for Vidya Daan were conducted on the 19th of August. More than 90 students were interviewed and a host of scholarships were approved for the academic year 2021-22. The interviews were conducted by PP Rtn Dr. Krishnan Menon, PP Rtn Raja Kaura, PP Rtn Ranjeet Gulati, Rtn Chandramouli, Rtn Philip George, and Rtn Narssimhan Kannan. A total of 264 students have been awarded scholarship till the end of August 2021 from Rotary Bangalore Indiranagar amounting to a total disbursement of Rs. 65 lakhs.

Paediatric Cancer:

- On the 21st of August 2021, Rtn. Ashok Saraf from Rotary Bangalore Indiranagar donated Rs. 40,000 worth Chemo Port Needles essential for Chemotherapy, to the Paediatric Ward of Kidwai Memorial Institute of Oncology Cancer Research and Training Centre.

Mother & Child:

- A few lady Rotarians and Anns of RBI underwent a Training on Menstrual Health Management conducted by Dr Lakshmi Murthy of Jatan Sansthan Udaipur. The session was organised to train the lady Rotarians and Anns in Menstrual Health and Hygiene They in turn can train women and girls from rural areas.

Youth Service Report - Director Rtn. Sridhar Pishay

- The following Interact clubs were installed in the month of August 2021:

Installation Date	Club	Type of meeting held	No of members	Guest Speaker
14th Aug 2021	Interact Club of The Frank Anthony Public School	ZOOM	28	Rtn. Narasimhan Kannan
16th Aug 2021	Interact Club of Cauvery Public School	Physical meeting at the School auditorium	28	Mrs. Monica Michael

- Rtn. Savitha Suresh, RI District 3190 , District Youth Service Director, Rtn. Umesh Puttanna, District Interact Committee Chair were present for the Interact Installations. The AG also attended the installation at FAPS. The ceremonies were presided over by Rtn. Fazal Ur Rahman. Rtn. Supriya Kandhari, Rtn. Sridhar Pishay, Rtn Ajay Gupta and Rtn. Sujeeth Joseph.

- Sharing is Caring Project was conducted on 04th August 2021 by the Rotract Club at GFGC K R Puram campus. As examinations were being held in the college, books were collected from seniors and distributed to juniors who cannot afford to buy them. Books were collected for all courses of the odd semester and placed in stalls. Students could pick up text books and guides as per their requirements.
- Community-Rotract Bangalore Indiranagar conducted the following activities:
