The President's Thoughts

Dear Friends,

We are deeply honoured to welcome our respected District Governor Rtn. Fazal Mahmood and First Lady Rtn. Sabiha Mahmood to our beloved Rotary Bangalore Indiranagar's "Governor's Official Visit" being held on 10th January 2022.

The year started off on a positive note with the gradual easing and relaxation of the Covid restrictions imposed during the dreadful second wave. 40 members of our Rotary Indiranagar family were present in person for the Installation function, with the others, including the District team, participating on the Zoom platform. It was business as usual from the very next day, and our Board has performed admirably ever since.

Our Club Service Director Rtn. Gopinath Narayanan has led his team very efficiently and has been well supported by his Committee Chairs, most of whom are either past presidents or present office-bearers. President-Elect Rtn. A.K. Sugunan as Membership Development Chair has sincerely ensured the infusion of fresh and young blood and Vice President Rtn. Balakrishnan Narayanan as Fellowship Chair has perfectly coordinated many a fun event for us to bond. Our Joint Secretary Rtn. Vipin Labroo has ensured us the privilege to listen to many eminent speakers. Our Treasurer, the meticulous Rtn. Kasthuri Saravanan has updated and tallied the Club accounts perfectly. The attendance statistics and club protocols have been methodically maintained by our Sergeant-At-Arms Rtn. Karthik Kumar U.

Our Community Service Director Rtn. Narssimhan Kannan and our Community Service Deputy Director Rtn. Krishnan Subramanian Kumar have both been exceptional. They have always been around to guide and assist the Committee Chairs enthusiastically regularly at projects. Rtn. Narssimhan Kannan's reporting has been of the highest calibre. His detailed and well-compiled reports have been well appreciated in the District.

The forte of our Youth Service Director Rtn. Sridhar Pishay is his ability to develop a great rapport with youngsters, be it the interactors or the Rotaractors. His coordination with our 14 interact clubs and 5 Rotaract clubs has been extraordinary. It so too has been how he has conducted the various events under Youth Service.

The ever enthusiastic and dependable Rtn. Kavita Kekre as Vocational Service Director, has brought a sense of excitement to all activities under this avenue.

Rtn. Baskaramoorthy D. has diligently pursued achieving the objectives of his International Service Avenue, including raising funds for The Rotary Foundation.

Our Bulletin Editor Rtn. Kavitha Paramesh has been doing a wonderfully innovative job with SEVA. She has also been diligently maintaining the accounts of our Trust as Treasurer.

Our three co-opted Directors on the Board namely PP Rtn. Ambika Narayan, PP Rtn. Peeyush Jain and PP Rtn. M. Jagadeesh have been a source of great strength. Their wholehearted involvement in all activities and their positivity has been very reassuring and has given the Board the courage to take on new initiatives and challenges.

My sincere appreciation to our Mentors PP Rtn. N. Krishnamurthy & PP Dr. S. Nagesh Simha, Advisors PDG Rtn. S. Suresh Hari, PP Rtn. Shashank Kekre & PP Rtn. Mahesh Parikh and the Avenue Coordinators PP Rtn. Karthikeya Reddy K., PP Rtn. Dr. Krishnan Menon, PP Rtn. Manoj

Agarwal, PP Rtn. Col. R.V. Subramaniam (Retd.) & PP Rtn. Suresh D. Patel for their much-needed support and guidance to the team and for sharing their wisdom.

Our Immediate Past President Rtn. Dr. A.V.S. Srikanth has always been available whenever required and is doing an excellent job with many projects under the Disease Prevention & Treatment Area of Focus.

Our Club Secretary Rtn. Supriya Kandhari has been a pillar of strength to me and all the others on the board. She has done an outstanding job ensuring that the club's administration runs efficiently. Moreover, her cheerful nature has helped create a genial atmosphere for all of us to work in.

It has been wonderful working with DG Rtn. Fazal Mahmood and his entire team, particularly District Secretaries Rtn. Keshav Gowda and Rtn. Harini Ravindranath, our Zone Governor Rtn. A. Thirumurugan and our Assistant Governor Rtn. M.N. Balachandra. I sincerely thank them for their support and cooperation and for allowing Rotary Bangalore Indiranagar to support, organise and participate in numerous District Events.

The ICGF on International Service “Intermilana” hosted by us, jointly with Rotary Club of Bangalore and Rotary Bangalore Abilities and co-chaired by PP Rtn. Ambika Narayan, was a great success and well appreciated by all who attended. This was possible only due to excellent teamwork between the hosting clubs and the District.

There were a lot of questions at the start of the year on how we should proceed, working under conditions which had become the new normal owing to the pandemic. As a club, we decided to follow Covid protocols to the maximum extent possible and get on with all activities brought to a standstill by the second wave. Today, it has proved to have been the right decision and my sincere thanks to all of you for having supported this decision. It is the enthusiasm and participation of each and every member of the Club which has ensured an interesting year filled with numerous activities.

Our Secretary in her report will cover the report on our various projects. However, I need to acknowledge PP Rtn. Gurmeet Singh Randhawa and PP Rtn. Dr. S. Nagesh Simha for their commitment and dedication to Karunashraya for more than 25 years leading to the Training & OPD Block at Karunashraya's Bangalore facility becoming a reality today. Their effort, along with their team of trustees, administrative & medical staff, has also ensured that Karunashraya's second facility at Bhubaneshwar will become a reality in the next two years.

I thank each and every one of you for doing your best for the various projects of our Club by giving your time, through your contributions or by raising funds from your family, friends, and business associates. If not for this support, we would have been unable to touch so many lives through so many of our meaningful projects.

We have a little less than six months to go. So let us move ahead with the same enthusiasm and do everything required to continue our good work and "**Serve to Change Lives**".

With warm regards,

Rtn. Fazal Ur Rahaman
President 2021-22

District Governor's Message

Dear Rotarians,

Greetings from Sabiha and me to the Rotarians, Anns and Annetts of Rotary Bangalore Indiranagar. It gives me immense pleasure to write for your newsletter. Best wishes for a healthy, safe and a wonderful Year ahead.

Your Club is vibrant, committed and comprises highly committed Rotarians who work as a strong team to achieve the goals of Rotary and Serve to Change Lives. Your Club has undertaken phenomenal service projects with exemplary commitment. It is a matter of pride for RI District 3190 that Karunashraya, Bangalore was invited to Odisha for setting up a palliative care unit and also setting up home care operations. This is truly reaching out to humanity. During the challenge of COVID, your Club has and continues to do yeoman service. This apart your club has donated critical care equipment and oxygen concentrators.

You have donated through a Global Grant, a nine bedded ICU at the Jain Mission Hospital, Chikballapur. In the field of pediatric cancer, in your joint project with RB Southwest, you have helped seventy-five children till date with treatment. Your Club has been instrumental in donating an ambulance to Needy Heart Foundation and has helped in having subsidized heart surgeries at Rs. 30,000/- for 53 babies. Substantial results have been achieved by your club in blood donations, eye screening camps, dialysis support and also through Hosa-Belaku project at Sudama Nagar slum. Several programmes have been held in the field of education to encourage students or teachers alike. Education aids - whether through counselling or equipment or online tours, have been a major focus point which inculcate an interest in the student in learning. Your Club has given 475 Scholarships to students in this year! This apart your club has refurbished fifteen Anganwadis in

this Rotary Year alone. We also appreciate the specialised focus on imparting better education by training the teachers.

Your club has undertaken tree plantation and lake rejuvenation. Keep up this work. Continue this project by nurturing the trees for the next two years till they can sustain themselves. Nature always gives us unparalleled returns. Let us do our best to protect the environment.

Your Club has also joined hands in the Zero Hunger Project – the aim being to bring nourishment to vulnerable sections of society, which serves to prevent disease. A few of your Herculean efforts have been listed above and you have done much more.

Congratulations Changemaker President Fazal Ur Rahaman on this spectacular work. I urge you and your team to continue with the same focus and diligence. There are thousands of people who need our support and help. The More we do the more lives we touch. Do support the Gramalakshmi self-help groups. Help them grow by using or marketing their produce. With this you help them reach the next level. The District is also focusing on senior care and rebuilding a social connect with abandoned elders in senior care homes and is looking forward to Clubs joining in for this cause.

The District Conference, **Jashn**, is on 29th and 30th January 2022. We welcome you all to attend the conference in large numbers. It will be an informative and exciting event for one and all. We will also be getting excellent speakers for the occasion. Do participate in large numbers.

It gives me immense pride to be the District Governor of this committed District. I urge you all to keep up the tempo and do the most you can in the rest of this year. Let us continue with our pledge to our theme to Change Lives for the better- of the earth, its people and all life forms and truly do our part to make it a wonderful world.

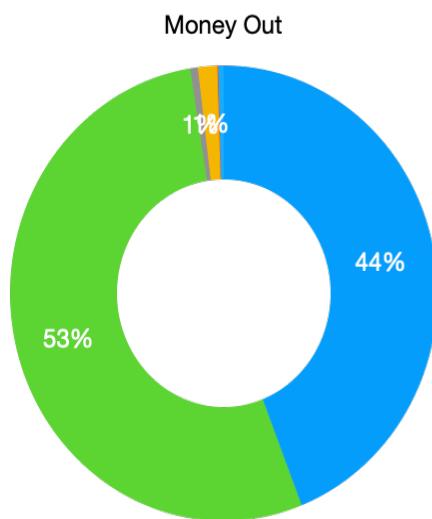

Best Wishes from both Sabiha and me and once again we wish you all the very best for 2022. Stay Blessed.

Yours In Rotary Service,
Rtn. Fazal Mahmood

Rotary Trivia – Rotary on Stamps

Can you guess the number of stamps that have been issued by various countries commemorating the work done by Rotary? Well, it is not possible to determine the exact number. However, it is estimated that more than 2000 stamps have been issued till date by various countries across the world including India!!

Austria was the first country to issue a stamp commemorating the Rotary International convention held at Vienna in the year 1931.

Stamp issued by Austria

This was followed by the commemoration of the RI conventions held at Havana in 1940, at Tokyo in 1961 and 1978, at Sao Paulo in 1981 and at Munich in 1987.

Members of Rotary Club of Havana -Year 1940

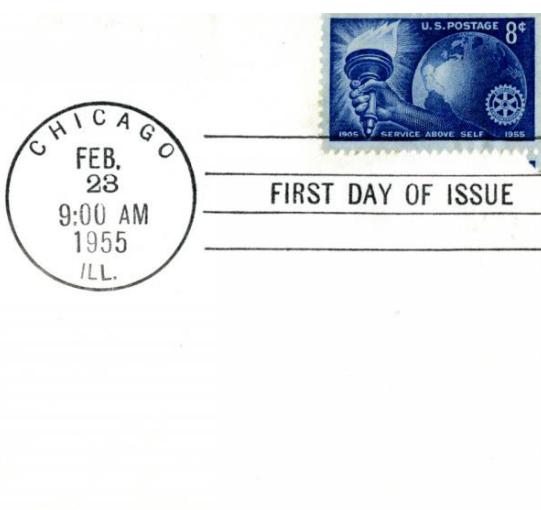

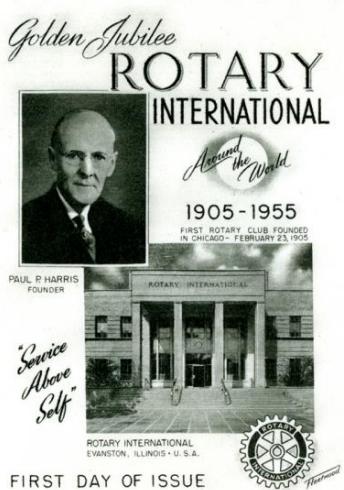

Many countries have lauded the work done by Rotary by way of issuing stamps. Countries have also released stamps for the 50th, 75th and the 100th anniversaries of Rotary International. Apart from these milestone years, many nations have issued stamps to mark the anniversaries in their countries.

These stamps highlight Rotary's focus areas, Rotary Emblem and even the pictures of the Rotary international founder, Paul Harris.

Only stamp issued by USA

Some other countries like Benin, Cyprus, Djibouti, Dominica, Ghana, France, Ghana, Peru, and Togo, have also issued stamps, with the popular destinations of these countries.

India issued a stamp in the year 1987 commemorating the Asian regional conference held in New Delhi and also to promote Polio immunization.

A group of enthusiastic Rotarians called Rotary on Stamps has been collecting philatelic material of Rotary around the world. It functions under the principles of Rotary International but is not a part of it.

Today Rotary on Stamps has nearly 200 members from 35 countries and it is one of the earliest and most active groups of Rotary's Fellowships. In 2005, when Rotary International celebrated its 100th anniversary, Rotary on Wheels celebrated its 50th anniversary.

Project in Focus - Bharatiya Vidya Bhavan

The Bhavan School

विद्याविवादायधनंमदायशक्तिःपरेषांपरिपीडनाय। खलस्यसाधोर्विपरीतमेतद् ज्ञानायदानायचरक्षणाय॥

(Vidhya Vividhaya Dhanamadayashakthihi, Pareshu Paripidanaya I

khalsyasadhareviparithamethadagnayanadhanaya charakshanaya II)

“The mischievous use their education for conflict, money for intoxication, and power for oppressing others. Honest ones use it for knowledge, charity, and protecting others, respectively”

This is what one is reminded of seeing the BBMP School at Srirampura. The BBMP School at Srirampura is an example of how virtuous people can transform the lives of millions. Srirampura School is yet another proud project of Rotary Bangalore Indiranagar. It is a project undertaken by RBI under the leadership of PP Rtn. Shashank Kekre and PDG Rtn. Badri Prasad, in collaboration with Bharatiya Vidya Bhavan ('Bhavan') and Suprajit Foundation ('Foundation'). These stalwarts and organizations share a common goal: ***Service to society.***

BBMP Public School is a classic example of public-private partnership. It is a tripartite agreement between Bharatiya Vidya Bhavan, RBI, and Suprajit Foundation entered into in 2012. The land on which the School is built is owned by the Government. Rotary and Suprajit Foundation have funded the school equipment, furniture and the running costs, while Bharatiya Vidya Bhavan is in charge of the management and running of the School. The agreement was for five years, with RBI and Suprajit Foundation contributing Rs. 10 lakhs each per year. However, the partnership and the commitment to support the running cost of the School continues even today, though the agreed time frame of five years has been completed. Such is the commitment of these organizations.

Typically, the government schools are under the State Board. However, this School is an exception, It is an English medium CBSE school. The school was adopted during the Academic Year 2012-13, with 1st to 4th-grade classes which gradually grew. Today it houses classes from LKG to 10th grade. The first batch of 10th grade graduated from the School in 20-21.

The School is managed by an executive council that has representatives from all the stakeholders , i.e., Bhavan, RBI, and Suprajit Foundation.

Nearly 800 students from the weaker section of society have been provided education in this School, and the students here have maintained an outstanding track record of excellence in studies and sports. Today, the School is one of the much sought-after schools in and around Srirampura because of the quality of education and overall growth and development of the students.

RBI's association with Bhavan started in 2012 during the presidency of Rtn. Shashank Kekre and when Rtn. Badri Prasad was the DG of District 3190. PDG Rtn. Badri Prasad was desirous of starting an impactful, public image building project under the banner of RBI. PP Rtn. Shashank's thoughts were also aligned to this vision and this duo's vision became a reality when PP Rtn. Peeyush Jain, the Honorary Treasurer of Bhavan and one of the large-hearted donors and patron members of RBI, requested RBI to partner with Bhavan in setting up a School at Srirampura.

Srirampura is a residential area inhabited by economically backward people. The land on which the school is built was encroached upon, and the students of that locality were deprived of education.

BBMP had to get the land and school back in place to ensure that the residents of that locality could have a school for their children. This is when BBMP approached Bhavan, and Bhavan, in turn, approached RBI.

Bharatiya Vidya Bhavan is an embodiment of Indian culture and literature. An organisation with a history of 83 years, bestowed with many awards such as Rajiv Gandhi Award for National Integration in 1992, Communal Harmony Award in 1999 and International Gandhi Peace Prize of 2002. Bhavan is recognized as an “Institution of National Eminence”.

Dr. K M Munshi who established Bhavan, looked upon it as an “Adventure in Faith”, a faith in India’s past, present and future, a faith in India’s people who have a rich and unbroken cultural heritage. Bhavan firmly believes that revitalizing ancient values and reintegrating them to suit the changing needs of modern times alone will give people the strength to assimilate whatever is good in the new,

without being swept away from the traditional moorings. Bhavan is an ever-growing voluntary, apolitical organization with an international outlook, devoted to life, literature, culture and education.

Over the years, Bhavan has grown into one of the country's most prominent NGOs, having more than 120 Kendras, 395 educational institutions with a student and staff strength of more than 2.30 lacs and 15,000, respectively. Bhavan has a publication division too, which has so far published more than 2500 titles with more than 35 million copies sold till date. Bharatiya Vidya Bhavan Bengaluru Kendra was set up 55 years ago. Since then the Kendra has been actively pursuing the aims and objects of its Founder.

Apart from the School, RBI has set up the Gandhi Institute of Computer Education Centre (GICEC) at Bhavan. This Institute has trained nearly 2100 students. An amount of Rs. 25 Lakhs has been infused for the running and capex of the Institute by Rtn. Ghanshyam Agarwal. RBI has sponsored the dining facility at Bhavan with the matching grant from Rotary District 5550, Canada. The bonding between these benevolent organizations extends to many other projects such as provision of drinking water, sanitization etc. The total contribution from RBI towards projects at Bhavan over the years is more than Rs. 2 crores.

RBI could not have taken up this project on its own as the funding required for the project was a large sum and it was a recurring commitment for five years. So Rtn. PP Shashank Kekre roped in PP Rtn. Ajit Rai to join hands with RBI to fund the School project. PP Rtn. Ajit Rai is a visionary and a philanthropist who is RBI's partner in service, supporting multiple projects of RBI. The Suprajit Foundation, an NGO under the corporate banner, was set up when the concept of Corporate Social Responsibility was non-existent and much before it was mandated by law in India.

Suprajit Foundation ('Foundation') was set up in the year 2011 under the umbrella of Suprajit group of companies to serve the society. The Foundation's primary focus is education, healthcare and rural development. The Foundation has undertaken the following projects till date:

- 1. Setting up Vittla Suprajit ITI:** An Industrial Training Institute was established at Vittla Junior College, Dakshina Kannada, wherein students after their 10th standard, undergo training in ITI on various streams. This institute has been supported over 6 years with an outlay of Rs. 55

lakhs. The students from this institute are employed in various industries post their two years course.

• **DKZP Govt Model Higher Primary School:** A 140+ year old Government school, having major issues in terms of Infrastructure and teaching faculties due to which the number of students attending the school dwindled continuously from the high of 1000 to 250 during 2017. This was taken up for improvement by a group of socially minded people in the locality and the Foundation contributed to this worthy cause in order to support the infrastructure to ensure that these young minds are trained well during their formative years of development. A new School building was built with a ground and two floors having 15 Classrooms and a large open auditorium on the terrace. The students' enrolment has increased to 1200+ in both English and Kannada medium classes. This is now considered as Model Primary School in the state.

- **Anganwadi Renovation** – Till date, the foundation has renovated 70 Anganwadis.
- Foundation supports Karunashraya and also reimburses the cost of heart surgeries in association with Needy Heart Foundation.

• **DKZP Govt Model Higher Primary School:** A 140+ year old Government school, having major issues in terms of Infrastructure and teaching faculties due to which the number of students attending the school dwindled continuously from the high of 1000 to 250 during 2017. This was taken up for improvement by a group of socially minded people in the locality and the Foundation contributed to this worthy cause in order to support the infrastructure to ensure that these young minds are trained well during their formative years of development. A new School building was built with a ground and two floors having 15 Classrooms and a large open auditorium on the terrace. The students' enrolment has increased to 1200+ in both English and Kannada medium classes. This is now considered as Model Primary School in the state.

The Foundation runs a Scholarship scheme to support the students from Dakshina Kannada District in their higher education. Mid-Day Meal Project is an ongoing project in partnership with Akshaya Patra Foundation, which serves nearly 450 students.

Under Health care projects, the Foundation reimburses the dialysis consumables, and more than 8300 patients have been supported so far! In addition, financial support is provided to Thalassemia patients.

The Foundation has supported the COVID affected people too by providing ration kits. Around 10000+ kits, value ranging from 800 to 1200 have been distributed. PPE kits were provided to the Asha workers and others. Vaccination camps were conducted for the migrant and needy workers.

Covid Care Centres were set up, 100 Oxygen concentrators were donated to various hospitals.

As part of its rural development objective, lake rejuvenation has been undertaken at Bommasandra Industrial Area. It has constructed roads for the benefit of villages around the Doddaballapur Industrial Area. Since inception, the total spend for all these projects is over 12 Crores What a commendable track record of service!

The kindness, commitment, and service of these entities and individuals reminds one of the following quote “**शतहस्त समाहर सहस्रहस्त संकिरा**” “shathahasthasamaahara, SahasrahasthaSankira” which means, earn with a hundred hands and donate with a thousand! May the force be with them !

CLUB SERVICE

Strategic Planning & Success Planning

The Strategic Planning & Succession Planning Committees led by PP Rtn Mahesh Parikh and PP Rtn N Krishnamurthy, respectively, have met and prepared a road map to ensure the good health of Rotary Bangalore Indiranagar. A training program for new members and Future Club Leaders is planned for March/April 2022.

Membership Development & Extension

Our Membership Chair, PE Rtn A K Sugunan, has been doing a great job. Membership in the last six months has been increased by seven. We have four members, including one Lady member who is an Ann to be inducted this evening. A Fireside meeting for all new members is planned in February 2022.

Fellowship

Fellowship Chair, VP Rtn Balkrishnan has been active. Three fellowships were organized on the 15th of August for Independence Day, a Ghazal Night on the 23rd of October, and the International ICGF on the 18th of December, and 6 post-weekly meeting fellowships. Our annual picnic is planned for February 2022.

Programs

27 Weekly Club Meetings and 7 Board Meetings have been held this Rotary year up to 03rd January 2022. These include 1 Installation Night, 2 Club Assemblies, 1 Joint meeting with our Sahayoga Partner Clubs and 20 Guest Speaker Meetings, and 3 Fellowship Meetings.

Rotary Bangalore Indiranagar has been well represented at all District programs like ICGFs, District Assemblies, and District Training Sessions. Jt Secretary, Rtn Vipin Labroo, Programs Chair, has actively invited good Speakers to speak on current and engaging topics at our weekly club meetings. The speakers were planned in alignment with designated RI months with the active co-operation of the Directors.

Public Image & Digital Initiatives

Many of our projects have received excellent publicity in the print and television media on numerous occasions due to the efforts of our PE Rtn A K Sugunan. In addition, our projects are actively promoted in various forms of social media. An intranet portal for members archiving Rotary Bangalore Indiranagar's journey from 1981 to 2021 is being launched this evening. This intranet will give all its members access to updated information and projects of Rotary Bangalore Indiranagar.

Bulletin

Our Bulletin "SEVA" is efficiently released promptly every month. Editor, Rtn Kavitha Paramesh has ensured that the SEVA does great reading with interesting articles. Six monthly issues with one special issue for the Installation Night have been released. The GOV Special Issue will be released this evening. The SEVA issues have been regularly uploaded on the Rotary Bangalore Indiranagar Website, emailed to our members, District officials, and Sister clubs.

Attendance, Reception, and Protocol

The Club Protocols have been followed in accordance with the Board's guidelines and Bye-Laws. The Attendance register has been updated weekly with make-up attendance and e- attendance. A list of chronic absentees has been presented to the Board of Directors for remedial action and to maximize members' involvement. Arrangements for weekly Club meetings at the Rotary House of Service and Fellowships have been well taken care of. Our Sergeant at Arms Rtn Karthik Udayakumar and his team have been appreciated for their diligence.

Finance

Our Efficient Treasurer, Rtn Kasthuri Saravanan, has ensured collection of subscriptions and timely payment of Rotary International dues, District Dues, and Dues to Rotary News. Further, statutory dues such as GST have been remitted in time. He has also meticulously prepared the monthly Club accounts statements and presented them at the monthly Board Meetings.

Fund Raising

Under CSR, we have received the following amounts between 01st July 2021 & 31st December 2021
GE Appliances - Rs.2,07,475/- and Can Fin Homes Ltd. - Rs.5,00,000/-

We have received approvals from the following companies for further funds under CSR before 30th June 2022. Can Fin Homes Ltd. - Rs.80 lakhs and Schenck Process India Pvt. Ltd. - Rs.30 lakhs

Events

Unfortunately, we have not been able to plan events in the last six months due to the pandemic. However, we have plans for a mega fundraiser in April/May.

Crowd Funding

Our first crowdfunding will be launched soon, before the end of January 2022.

Besides the above, we have received from our Rotarians, friends, and associates, an amount of Rs 1,36,27,187/- (Rs 1.36 Crores). Fund Raising Chair PP Rtn. Peeyush Jain and his Co-chairs, PP Rtn Manoj Agarwal, Rtn Guna Thantry, and Rtn Philip George, and their teams have done a fantastic job.

COMMUNITY SERVICE

TEACH - Teacher Training

We have trained 213 teachers of our adopted schools in various relevant topics like " Enhancing English Speaking Skills" "Effective handling of Students during Online Classes" across 5 Sessions. The faculty of the schools well received the sessions.

BBMP-BVB School

Rotary Bangalore Indiranagar will support BBMP Bhavan School in Srirampura for its need-based requirements with Rs 25,00,000(25 Lakhs) provided by M/s Liebherr Machine Tools India Ltd across two years. A sincere thanks to Rtn Ghanshyam Agarwal for this contribution. On 15th December 2021, Rotary Bangalore Indiranagar presented the GS Khanna Awards for Excellence to the students of Bharatiya Vidya Bhavan - BBMP Public School.

Bharatiya Grameena Mahila Sangh, Vibhutipura

Shishukunj Vidyalaya (School) & Kanvasharama (Orphanage & Hostel)

Rotary Bangalore Indiranagar will meet the necessary expenditure of Shishukunj Vidyalaya at BGMS with the contribution of Rs 25 Lakhs provided by M/s Liebherr Machine Tools India Ltd annually. Best practices with professional guidance from the JSS foundation are implemented.

Rotary Bangalore Indiranagar regularly monitors and supports Shishukunj in all their activities. On the 22nd December 2021, the G S Khanna Excellence Awards were presented to the children of Shishukunj Vidyalaya.

Anand Dham – Old Age Home

Anand Dham is being effectively run and has now achieved an occupancy level of 60% Monthly reports are being regularly received. Rotary Bangalore Indiranagar is actively spreading awareness about the facilities available at Anand Dham to increase occupancy levels.

Parijatha - Girls Hostel and Santhwana - Short Stay Home

Awareness programs are conducted regularly for the inmates, and the needs of the women are being taken care of.

Counseling

Regular counseling sessions are conducted for the inmates of the Girls Hostel, Short Stay Home, and Anand Dham.

Health & Wellness

Ann Dr. Sushila Menon regularly visits BGMS for regular health check-ups of the inmates. On 29th September 2021, under the auspices of the 'Defeat Diabetes Campaign' organized by RI District 3190, we participated and conducted 100 Blood Sugar tests at the Bharatiya Gramin Mahila Sangh (BGMS) campus. The inmates of Anand Dham, staff of BGMS, teachers of Shishukunj Vidyalaya, and students of the 9th & 10th standards were tested to achieve the target of 100 tests.

Vidya Daan

Vidya Daan - Our Scholarship Project facilitates needy meritorious students to pursue educational dreams. The Scholarship Committee has awarded 527 Scholarships amounting to disbursement of Rs 1,40,26,248/- (1.40 Crores). The Committee has signed an MOU with Charan's PU and Degree college to reduce the fee for our Scholarship students. The Corpus increased to Rs 325 lakhs. The donors in the "Adopt-a-child" scheme have now increased to 87 with an increase of 31 Donors. The academic progress of students availing of the Scholarship is regularly monitored and they are being counseled on skill development courses as options. Career Guidance session has also been conducted to build awareness of career opportunities.

The G S Khanna Excellence Awards were awarded to students of Navaprajna Public School, Sree Cauvery School, Sri Guru Harkishan High School, Indiranagar High School, Karnataka Public School, GHS Narayanapura, GHS Garudacharpalya, High School Section of Govt PU College, Hoodi, Ekalavya School and Ejipura School. Thanks to PP O P Khanna, who has constituted these awards in memory of his late father. These awards are looked forward to by the children of our adopted schools year after year.

The Asha Saraf Excellence in Education Awards were also awarded to teachers of Navaprajna Public School, Sree Cauvery School, Sri Guru Harkishan High School, GHS Narayanapura, GHS Garudacharpalya, High School Section of Govt PU College, Hoodi and Ekalavya School. Thanks to Wg. Cdr. Ashok Saraf for encouraging the Teachers of our adopted school by constituting this award in memory of your late wife. PP Rtn Col R V Subramaniam(Retd) warrants a mention here for his diligent follow-up with the school to ensure smooth conduct of the award programs.

Karunashraya

Karunashraya in the six months between 01st July 2021 and 31st December 2021, has had admissions, re-admissions, deaths, and discharges in In-Patient care. As far as home care is concerned, they have had home care patients, new admissions, re-admissions, 13 deaths, and discharges through their three-link centers. All the terminally ill cancer patients admitted at Karunashraya received the best of care and attention from the team of nurses, doctors, and volunteers. The team ensured that the last days of such patients were made as comfortable as possible.

100 Patients have been supported to date by member donations towards the Rs 2626/- scheme to support patient care in Karunashraya. Teams of Volunteers from Educational Institutions, corporates continue to visit Karunashraya to help in various activities around the Hospice. A group of 10 Rotarians visited Karunashraya, led by President Rtn. Shashidhar C of Rotary Bangalore Shankara Park was amazed to see the work done at the palliative care. The New OPD and Training block is ready for inauguration on the 23rd January 2022. We thank Wg Cdr Rtn Ashok Saraf(Retd) for his generous contribution of Rs 60 Lakhs towards the construction of the OPD Block in memory of his wife, Mrs. Asha Saraf.

Karunashraya created history on 12th July 2021, when Shri Naveen Patnaik, Hon'ble Chief Minister of Odisha laid the foundation stone for the upcoming Bagchi-Karunashraya Palliative Care center at Info Valley in Bhubaneshwar, Odisha. This palliative care center is envisioned to offer home care services along with state-of-the-art 110 beds in the patient center. On 08th December 2021, the Chief

Secretary of Odisha, Shri Suresh Chandra Mahapatra, inaugurated Palliative Home Care Services for cancer patients.

PP Dr. S N Simha and PP Gurmeet Randhawa have always been actively involved with the running of Karunashraya with passion and dedication daily. Our admiration for them grows by the day.

Eyecare

With a project outlay of Rs 44,10,000/-, 2205 surgeries have been completed out of a total of 136 Camps conducted by the Netradeep Hospitals of Kolar & Tumkur. Rotary Bangalore Indiranagar and Globe Eye Foundation conducted an Eye Screening Camp at Bharatiya Grameen Mahila Sangh on 07th September 2021 for the senior citizens housed in the old-age home, Anand Dham, and for the children living and studying there. The camp was executed by the doctors of Globe Eye Foundation, which is headed by Rtn. Dr. Sundar Ram Shetty and the camp was organised by Ann Prasanna Chandri of Rotary Bangalore Indiranagar.

On 14th September, a record 150 students from the Bhavan's BBMP, Bhavan's Press, and Sree Guru Harkrishan High Schools attended a one hour-long Zoom session on Eye Care. Dr. Jnaneshwar from the Globe Eye Foundation was the facilitator.

On 1st of November, on the auspicious occasion of Karnataka Rajyotsava, Rotary Bangalore Indiranagar and Globe Eye Foundation organized an Eye Camp for the residents of a nearby slum Sudama Nagar, that we have adopted, under the auspices of the Hosa Bellaku project of the Rotary District 3190.

Heart Care

We have completed supporting 55 Paediatric Heart Surgeries at an outlay of Rs 16.5 Lakhs as of 31st December 2021. We currently have funds for 25 more surgeries which we hope to complete in the next few months. We are also hopeful of receiving more donations to look at more surgeries. Progress of Patients after surgery is also being monitored by our IPP Rtn DR A V S Srikanth.

Two Health Camps have been conducted so far. Our Heart Care Chairman PDG Rtn Suresh Hari has been doing excellent with his team. Special Thanks to PP Rtn O P Khanna for his continued guidance.

Jain Mission Trust Hospital

The Emergency Room and a nine bedded ICU at the Jain Mission Hospital at Chickballapur was inaugurated on the 08th July 2021. The ICU is equipped with the latest critical care equipment, including ventilators, monitors, infusion pumps, and other essential equipment required. Rotary Bangalore Indiranagar has donated all these to the hospital through a Global Grant facilitated by the contributions of Rtns. Ghanshyam Agarwal, PDG Dr. P M Bhansali, PP O P Khanna, and PP Peeyush Jain. This was possible due to the diligent application and follow up of the Global Grant by Rtns. PDG Suresh Hari, PP Suresh Patel, and PP Mahesh Parikh. The purchase of the state of the art equipment was scrutinized by PP Dr Krishnan Menon and our Director-Community Service, Rtn Narssimhan Kannan. The Emergency Room has facilitated the treatment of an average of 500 patients per month until the end of 31st December 2021. On an average stay of 2-3 days, the ICU has facilitated the treatment of about 15 patients per month until the end of 31st December 2021.

A special note of appreciation to PP Manoj Agarwal for the overall co-ordination in making this project happen.

Dialysis Consumables

Dialysis Consumables have been donated to needy patients regularly this year. The support from Suprajit Foundation has made this project possible and we thank PP Ajith Kumar Rai for facilitating this initiative. We also would like to thank Rtn Ghanshyam Agrawal, who has come forward to contribute to the program.

Rotary Tiptur has expressed its desire to collaborate, and the proposal has been accepted. The terms of the collaboration are yet to be finalised.

Blood Donation

The dedicated effort of Rtn Latha Amashi and Rtn Ranganath Kuntumalla has ensured that 8 Blood donation Camps have been facilitated so far with a collection of 236 Units of Blood.

Thanks to the efforts of PP Rtn Zarryl Lobo through the MCKS Trust, Rotary Bangalore Indiranagar has been able to facilitate 679 free units to Thalassemia patients and 3176 free/subsidized units to accident victims. The total contribution towards these units from the MCKS trust is Rs 39,81,938/-

Pulse Polio

NID Polio Day is scheduled for 23rd January 2022. All efforts are on to help the Primary Centres with Food and Logistics for the volunteers and help in information dissemination.

Chair Rtn Thomas Abraham and his team are on the job, and we are sure they will as always ensure smooth conduct of the project.

Mother & Child

On the 09th August 2021, five Anganwadis sponsored by Citrix R&D India Ltd were inaugurated by Rtn Fazal Mahmood, District Governor RI District 3190, along with First Lady Rtn Sabiha Fazal. The Five Anganawadis are located at Bodanasahalli, Narayankere, Devanagundi (Centres 1 & 2) & Handenahalli. Citrix R&D India Ltd. has helped Rotary Bangalore Indiranagar renovate 27 Anganwadis.

On 12th October, we inaugurated four Anganwadis in the presence of Zonal Governor Rtn. A. Thirumurugan and Assistant Governor Rtn. M N Balachandra. The four Aanganwadis that we inaugurated are at Jadigenahalli (Centre 2), Jadigenahalli Grama Panchayat; Govindapura, Jadigenahalli Grama Panchayat; Thindlu, Khajihosahalli Grama Panchayat; and Khajihosahalli, Khajihosahalli Grama Panchayat.

On 03rd November, we inaugurated another five Anganwadis. The five Aanganwadis that we inaugurated are at Makanahalli, Geddalapura, Bommanabande, Kamaranasahalli, and Honachanahalli.

On 24th December, the Anganwadi at Hunesahalli, Hosakote Taluk was inaugurated. This Anganwadi was built with the help of GE Appliances a Haier company through their parent company M/s. Wonder Global India Technology Center Pvt. Ltd.

Our Tally of Anganawadis is at 148. Forty-five more Anganawadis have been identified and we hope to reach the magic figure of 200 by the end of June 2022. Our appreciation to Chair Rtn Vinay Vankulpati and the team for their efforts to identify Anganawadis requiring renovation and to President Rtn Fazal ur Rahaman for coordinating and ensuring work is done time.

Menstrual Health And Hygiene Management

This Committee, spearheaded by Ann Sowmya Srikanth organized a Training on Menstrual Health Management by Dr. Lakshmi Murthy of Jatan Sansthan Udaipur. This training workshop was held on 24th August and 25th August on the Zoom platform, attended by 20 enthusiastic participants from Rotary Bangalore Indiranagar.

On 02nd September 2021, Rtn. Kavita Pishay and Ann Sowmya Srikanth gave a presentation on Menstrual Health & Hygiene Management at the Embassy Tech Village for 80 members of the housekeeping staff. This was the first physical presentation of MHM for the year 2021-22.

On 23rd September, Rotary Bangalore Indiranagar conducted an awareness program for the children at Sudama Nagar. Two sessions for 35 children were conducted at the Anganwadi. Ann Sowmya Srikanth addressed the sessions. Rtn. Kavita Pishay, Secretary Rtn. Supriya & Rtn. Kavitha Parmesh helped out as volunteers. President Fazal and Director Narssimhan Kannan were present for the inauguration of the session.

On 26th November, 16 Changemaker Clubs, including Rotary Bangalore Indiranagar, conducted a mega MHM and SwaRaksha program for over 200+ girl students in the Morarji Desai PU College and Morarji Desai Residential School in Kolar District. 2 separate sessions of MHM led by Rtn. Latha Krishna & Ann Sowmya Srikanth

were conducted. On 16th December 2021, Ann Sowmya Srikanth of Rotary Bangalore Indiranagar gave a presentation on Menstrual Hygiene and Health Management at the Anganwadi in Sudama Nagar slum to 40 Anganwadi Teachers.

On 23rd December, Ann Sowmya Srikanth of Rotary Bangalore Indiranagar gave a presentation on Menstrual Hygiene and Health Management at the potters' cluster at Pottery Town to 26 girls and women living in the cluster. Sincere Thanks to Ann Sowmya Srikanth for driving this initiative with passion with her team.

Environment

Rotary Bangalore Indiranagar is one of the three participating clubs in the Lake Rejuvenation Project "Restore Promise of Water (RPOW)" along with Rotary Bangalore Lake World & Rotary Bangalore Junction. The target is to rejuvenate 10,000 water bodies eventually. Season one of this project was successfully completed before the onset of the monsoon this year. Rotary Bangalore Indiranagar contributed to de-silting 5 lakes/water bodies located in Somayajalahalli Grama Panchayat in Srinivasapura Taluk of Kolar District in Karnataka. Kudos to our PP Rtn. Manoj Agarwal for recognising the immense benefit and potential of this project during his year as President and ensuring Rotary Indiranagar was part of it. Sincere thanks to Rtn. Lata Amashi for raising USD 15,000 from Shri Jagdish Chanrai, Shri Subodh Chanrai, Shri Sundar Chanrai, and the Chanrai family whose generous contribution went a long way in ensuring the successful implementation of Season I of this project.

Our gratitude to The International School of Bangalore (TISB) students for being the Season I Student Donors and raising funds through a crowdfunding campaign. We have planted 652 Saplings across Plantation Drives. We have also donated over 100 saplings of fruit-bearing trees at our Anganawadis. Chairman Rtn Harish Manae ably assisted by Rtn. Saravanan have performed admirably.

Covid Relief

This Committee, headed by IPP Dr. A V S Srikanth, has done yeoman service during the pandemic. A Free Vaccination Drive was conducted at the Rotary House of Service on 17th of September jointly by Rotary Bangalore Indiranagar and Rotary Spandana. This was achieved due to the efforts of our IPP Dr A V S Srikanth and President-elect Rtn A K Sugunan. Fifty-three people were vaccinated. 2 Ventilators and 26 Oxygen Concentrators were donated to 6 different Hospitals with an outlay of Rs 34.43 Lakhs. Under Zero Hunger, 220 Ration Kits were distributed at four different locations for the poor and needy.

Paediatric Cancer

Chair Wg Cdr Rtn Ashok Saraf (Retd) and Co-Chair Rtn Rakesh Nayyar with their team have performed admirably. Chemo Port Needles essential for Chemotherapy is supplied regularly to Kidwai Hospital. Supply of medicines for needy patients is being done regularly jointly with Rotary South-West.

VOCATIONAL SERVICE

Skill Development Initiative

We continue to partner with NTTF and have successfully completed 2 batches of IT Technician Courses. Moreover, as part of woman empowerment, one batch of In-store Promoters course for girls/women with 15 students was organized. All the students have been placed successfully. This was possible due to the contributions of our ever-benevolent members of Rotary Bangalore Indiranagar.

BHARATIYA VIDYA BHAVAN

Here again, we continue to partner with the Gandhi Institute of Computer Education & Information Technology for computer literacy. Training for a batch of 55 students is completed and the training for 80 students is in progress. This project is supported by Suprajit Foundation and our sincere thanks to PP Ajith Kumar Rai.

Career Guidance

12 sessions were completed with our adopted schools benefitting 810 students. Of these sessions, three sessions were conducted in person. A career guidance session was also conducted for 30 students of our Vidya Daan Program. Dy Director Krishnan Kumar has been spearheading this program successfully. A special thank you to District Dy Director – Vocational Services Rtn Ganesh Balakrishnan for his constant support.
